Playing Conditions for Men's 50 Over Matches

Preamble - The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions) but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, match officials and, especially in junior cricket, teachers, coaches, and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, teammates, opponents, and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

1 THE PLAYERS

1.1 Number of players

A match is played between two sides, each of eleven players, one of whom shall be captain.

1.2 Nomination and replacement of players

- 1.2.1 Each captain shall nominate 11 players in writing to the Umpires/Match Referee before the toss. No player (member of the playing eleven) may be changed after the nomination without the consent of the opposing captain.
- 1.2.2 All 11 players must be registered with the TDCA as members of the team/club. If the nominated player does not have his T&D registration number recorded on the match sheet, the player will not be allowed to participate in the match.
- 1.2.3 Each team is allowed to nominate only 3 foreign players in a match.
- 1.2.4 Any registered player for the team/club can act as substitute fielders and need not be nominated or be present at the start of the match.

Playing Conditions for Men's 50 Over Matches

- 1.2.5 All those nominated including those nominated as substitute fielders as well as any concussion replacements, must be eligible to play for that particular team, and by such nomination, the nominees shall warrant that they are so eligible.
- 1.2.6 In addition, by their nomination, the nominees shall be deemed to have agreed to abide by all the applicable TDCA Regulations about domestic cricket and in particular, the Clothing and Equipment Regulations, the Code of Conduct for Players and Player Support Personnel (hereafter referred to as the TDCA Code of Conduct).
- 1.2.7 A player or player support personnel who has been suspended from participating in a match shall not, from the toss of the coin and for the remainder of the match thereafter:
 - 1.2.7.1 Be nominated as, or carry out any of the duties or responsibilities of a substitute fielder, or
 - 1.2.7.2 Enter any part of the playing area (which shall include the field of play and the area between the boundary and the perimeter boards) at any time, including any scheduled or unscheduled breaks in play.
- 1.2.8 A player who has been suspended from participating in a match shall be permitted from the toss of the coin and for the remainder of the match thereafter be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the match is not within the playing area described in clause 1.2.7.2 above (for example, the player is not permitted to enter the on-field 'dug-out').
- 1.2.9 Any replacement player shall be considered the same player as the nominated player he replaced for the purposes of these Laws.
 - 1.2.9.1 A replacement shall not bat in an innings in which the nominated player he is replacing has completed his innings.
 - 1.2.9.2 Any unserved Penalty time, warnings or suspensions, that applied to the original nominated player will be inherited by his replacement
- 1.2.10 Concussion Replacement
 - 1.2.10.1 If a player sustains a concussion or suspected concussion, as a result of a head or neck injury during the course of the relevant match, a Concussion Replacement may be permitted in the following circumstances:
 - 1.2.10.1.1 the head or neck injury must have been sustained during play and within the playing area described in clause 1.2.7.2 above;
 - 1.2.10.1.2 a concussion or suspected concussion must have been formally diagnosed by the Team Medical Representative/Captain;
 - 1.2.10.1.3 the Team Medical Representative/Captain shall submit a Concussion Replacement Request to the Umpire/Match Referee, which shall:
 - 1.2.10.1.3.1 identify the player who has sustained the concussion or suspected concussion;
 - 1.2.10.1.3.2 specify the incident in which the concussion or suspected concussion was sustained, including the time at which it occurred;

Playing Conditions for Men's 50 Over Matches

- 1.2.10.1.3.3 confirm that, following an examination, the Team Medical Representative/Captain believes or suspects that the player has sustained a concussion as a result of the incident specified in clause 1.2.10.1.3.2 above; and
- 1.2.10.1.3.4 .
- 1.2.10.2 In all circumstances Concussion Replacement player shall be from nominated substitutes at the time of toss. Only in the case where the wicket-keeper is concussed and needs a replacement then Umpire/Match Referee may allow a wicket-keeper from outside the nominated substitutes if there is no wicket-keeper in the nominated substitutes.
- 1.2.10.3 The Concussion Replacement Request must be submitted to the Umpire/Match Referee as soon as possible after the incident specified in clause 1.2.10.1.3.2 if a Concussion Replacement is to be permitted.
- 1.2.10.4 The Umpire/Match Referee should ordinarily approve a Concussion Replacement Request if the replacement is a like-for-like player whose inclusion will not excessively advantage his team for the remainder of the match.
- 1.2.10.5 In assessing whether the nominated Concussion Replacement should be considered a like-for-like player, the Umpire/Match Referee should consider the likely role that the concussed player would have played during the remainder of the match, and the normal role that would be performed by the nominated Concussion Replacement.
- 1.2.10.6 If the Umpire/Match Referee believes that the inclusion of the nominated Concussion Replacement, when performing their normal role, would excessively advantage their team, the Umpire/Match Referee may impose such conditions upon the identity and involvement of the Concussion Replacement as he/she sees fit, in line with the overriding objective of facilitating a like-for-like replacement for the concussed player.
- For clarity, a concussion replacement will inherit all warnings, penalty time and suspensions that were imposed on the replaced player.**
- 1.2.10.7 The Umpire/Match Referee may, in reviewing a Concussion Replacement Request made in accordance with clause 1.2.10.1.3 request any such further information as may be required in order to make the determination required under clauses 1.2.10.4 and 1.2.10.5.
- 1.2.10.8 The decision of the Umpire/Match Referee in relation to any Concussion Replacement Request shall be final and neither team shall have any right of appeal.
- 1.2.10.9 Once the Concussion Replacement has been approved by the Umpire/Match Referee, the replaced player shall take no further part in the match.
- 1.2.10.10 Both the Concussion Replacement and the replaced player shall be considered to have played in the match for records and statistical purposes.

1.3 Captain

Playing Conditions for Men's 50 Over Matches

- 1.3.1 If at any time the captain is not available, a deputy shall act for him.
- 1.3.2 If a captain is not available to nominate the players, then any person associated with that team may act as his deputy to do so. See clause 1.2
- 1.3.3 At any time after the nomination of the players, only a nominated player can act as deputy in discharging the duties and responsibilities of the captain as stated in these Playing Conditions, including at the toss. See clause 13.4(The toss).

1.4 Responsibility of captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket, as well as within these Playing Conditions.

1.5 Photo ID requirements for TDCA games

- 1.5.1 All players (including junior players) must be ready to present acceptable photo identification upon demand by the Umpires at TDCA games. Acceptable forms of photo ID are a valid Canadian driver's license, valid Passport, valid Ontario health card (with picture).
- 1.5.2 Umpires will perform a photo ID check before the toss is taken. Both team Captains are required to have their player's photo IDs collected for presentation to the umpires at least 15 minutes before toss. Any delay caused by teams in presenting the IDs may result in the offending team forfeiting the toss or penalty runs being applied against the offending team.
- 1.5.3 Any playing member refusing to produce an acceptable photo ID or misbehaving with the Umpires on this matter may cause their team to automatically lose the match.
- 1.5.4 Players arriving late will have the responsibility of showing their photo ID to the Umpires. Any player from the fielding side arriving late on the field of play, must run up to the Umpire first and show their photo ID before taking their fielding position.
- 1.5.5 If the late-arriving player is from the batting side, he must bring their photo ID to the field and show it to the Umpire just before taking the crease to bat. Any late arriving players from the batting side who have not come into bat yet must show their photo ID to the Umpires during the first available break in play.
- 1.5.6 Umpires will have the right to refuse any player from joining the fielding or the batting side if they cannot produce an acceptable form of photo ID.

1.6 Late coming of team/teams and nomination

- 1.6.1 The team/s shall be present well in time to exchange the list of players before the toss (i.e., at least 15 minutes prior to scheduled or rescheduled start of the match) for prompt start of play.
- 1.6.2 A Team must have at least 9 players dressed in cricket attire in the presence of the umpire before the toss. A request asserting that 9 players who were in cricket attire were present earlier but have since left will be ineffective.
- 1.6.3 No player can play unless he is dressed in the identical colored clothing approved for his club/team.
- 1.6.4 No substitute allowed for late-coming players for any reason. See clause 24.

Playing Conditions for Men's 50 Over Matches

- 1.6.5 At the start of the match, the fielding team shall have a minimum of 9 players for play to commence.

If any team fails to turn up for a match, the defaulting team will forfeit the match to its opponent provided the other team is present at the scheduled or rescheduled time to start the match. See TDCA Code of Conduct – Default Team.

- 1.6.6 If any team does not take the field for any reason half an hour after the scheduled or rescheduled time to start, it will automatically default the match.

1.7 Dress code

- 1.7.1 Cricket attire will comprise colored clothing. All members of the same team must wear (latest) identical color clothing (color other than white, cream, or any light color) as approved by the TDCA.
- 1.7.2 The Umpires are the sole authority in implementing the dress code.
- 1.7.3 The Umpires shall ask the concerned player to leave the field if the dress code is not followed.

1.8 Footwear

On matting or synthetic turf pitches, the use of shoes with spikes is not permitted.

2 THE UMPIRES

2.1 Appointment, attendance and fee

Before the match, two umpires shall be appointed, one for each end, to control the match as required by the laws, with absolute impartiality. The umpires shall be present on the ground and report to the Executive of the ground at least 45 minutes before the scheduled start of play on the day.

- 2.1.1 TCU&SA or its delegated representatives shall arrange the appointment of umpires for regular league matches on behalf of the TDCA
- 2.1.2 For the play-offs, the TDCA may appoint Match Managers/Match Referees/Third Umpire.
- 2.1.3 Neither team will have a right of objection to the appointment of any umpire.
- 2.1.4 It is required that all teams pay the match fee to the umpires before the toss. It is also the responsibility of individual umpires to collect the match fees from the teams before the toss.

2.2 Change of umpire

An umpire shall not be changed during the match, other than in exceptional circumstances, unless he/she is injured or ill. If there has to be a change of umpire, the replacement shall act only as the striker's end umpire unless the captains agree that the replacement should take full responsibility as an umpire.

2.3 Consultation with captains

Before the toss, the umpires shall:

- 2.3.1 meet with the captains; the umpires shall determine

Playing Conditions for Men's 50 Over Matches

- 2.3.1.1 the balls to be used during the match See clause 4 (The ball)
 - 2.3.1.2 the hours of play and the times and durations of any agreed intervals
 - 2.3.1.3 which clock or watch and backup time piece is to be used during the match
 - 2.3.1.4 the boundary of the field of play. See clause 19 (Boundaries)
 - 2.3.1.5 the use of covers. See clause 10 (Covering the pitch).
 - 2.3.1.6 any special conditions of play affecting the conduct of the match.
- 2.3.2 Inform the scorers of agreements in 2.3.1.2, 2.3.1.3, 2.3.1.4, 2.3.1.6

2.4 The wickets, creases and boundaries

Before the toss and during the match, the umpires shall satisfy themselves that

- 2.4.1 the wickets are properly pitched. See clause 8 (The wickets).
- 2.4.2 the creases are correctly marked. See clause 7 (The creases).
- 2.4.3 the boundary of the field of play complies with the requirements of clauses 19.1 (Determining the boundary of the field of play), 19.2 (Identifying and marking the boundary) and 19.3 (Restoring the boundary).

2.5 Conduct of the match, implements and equipment

Before the toss and during the match, the umpires shall satisfy themselves that

- 2.5.1 the conduct of the match is strictly in accordance with these Playing Conditions.
- 2.5.2 the implements used in the match conform to the following
 - 2.5.2.1 clause 4 (The ball).
 - 2.5.2.2 externally visible requirements of clause 5 (The bat) and Appendix B
 - 2.5.2.3 either clauses 8.2 (Size of stumps) and 8.3 (The bails).
- 2.5.3 no player uses equipment other than that permitted. See Appendix A. Note particularly therein the interpretation of 'protective helmet'.
- 2.5.4 the wicket-keeper's gloves comply with the requirements of clause 27.2 (Gloves).

2.6 Fair and unfair play

The umpires shall be the sole judges of fair and unfair play.

2.7 Fitness for play

- 2.7.1 It is solely for the umpires together to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place.

Playing Conditions for Men's 50 Over Matches

Conditions shall not be regarded as either dangerous or unreasonable merely because they are not ideal.

The fact that the grass and the ball are wet does not warrant the ground conditions being regarded as unreasonable or dangerous.

- 2.7.2 Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.
- 2.7.3 Conditions shall be regarded as unreasonable if, although posing no risk to safety, it would not be sensible for play to proceed.
- 2.7.4 If the umpires consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batters of the ability to play their strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be dangerous and unreasonable for play to take place.

2.8 Suspension of play in dangerous or unreasonable circumstances

- 2.8.1 All references to ground include the pitch. See clause 6.1 (Area of pitch).
- 2.8.2 If at any time the umpires together agree that the conditions of ground, weather or light, or any other circumstances are dangerous or unreasonable, they shall immediately suspend play, or not allow play to start or to recommence. The decision as to whether conditions are so bad as to warrant such action is one for the umpires alone to make, following consultation with the Match Referee.
- 2.8.3 If circumstances are warranted, the umpires shall stop play and instruct the Ground Authority to take whatever action they can and use whatever equipment is necessary to remove as much dew as possible from the outfield when conditions become unreasonable or dangerous. The umpires may also instruct the ground staff to take such action during scheduled and unscheduled breaks in play.
- 2.8.4 The umpires shall disregard any shadow on the pitch from the stadium or from any permanent object on the ground.

If a shadow from a fielder falls across the striker's half of the pitch, the fielder must remain stationary from the time the bowler commences his run up until the striker has received the ball. In the event of a fielder moving before the striker receives the ball, the umpire shall call and signal 'dead ball' if he considers the striker has been disadvantaged by the action.

- 2.8.5 When there is a suspension of play it is the responsibility of the umpires to monitor conditions. They shall make inspections as often as appropriate, unaccompanied by any players or officials. Immediately the umpires together agree that the conditions are no longer dangerous or unreasonable they shall call upon the players to resume play.

If play is in progress up to the start of an agreed interval, then it will resume after the interval unless the umpires together agree that the conditions of ground, weather or light are so bad that there is obvious and foreseeable risk to the safety of any player or umpire, so that it would be unreasonable or dangerous for play to take place.

- 2.8.6 Umpires are reminded of the danger that lightning poses. Umpires are advised to follow the lightning protocol as decided by the Club/City. If such protocol doesn't exist, umpires must immediately suspend play when a flash of lightning is visible or if peals of thunder are occurring at 30-second intervals or less. Play must not resume until 30 minutes after the last peel of thunder or as decided by the umpires. Refer Appendix H.

Playing Conditions for Men's 50 Over Matches

- 2.8.7 The safety of all persons within the ground is of paramount importance to the TDCA. In the event that of any threatening circumstance, whether actual or perceived (including for example weather, pitch invasions, act of God, etc.), then the umpires, on the advice of the Match Referee, should suspend play and all players and officials should immediately be asked to leave the field of play in a safe and orderly manner and to relocate to a secure and safe area (depending on each particular threat) pending the satisfactory passing or resolution of such threat or risk to the reasonable satisfaction of the umpires, the Match Referee, the head of the relevant Ground Authority, the head of ground security and/or the police as the circumstances may require.
- 2.8.8 Where play is suspended under clause 2.8.8 above the decision to abandon or resume play shall be the responsibility of the Umpires/Match Referee who shall act only after consultation with the head of ground security and the police.

2.9 Position of umpires

The umpires shall stand where they can best see any act upon which their decision may be required.

Subject to this over-riding consideration, the bowler's end umpire shall stand in a position so as not to interfere with either the bowler's run-up or the striker's view.

The striker's end umpire may elect to stand on the off side instead of the on side of the pitch, provided he informs the captain of the fielding side, the striker and the other umpire.

2.10 Umpires changing ends

Shall not apply.

2.11 Disagreement and dispute

Where there is disagreement or dispute about any matter, the umpires together shall make the final decision. See also clause 31.6 (Consultation by umpires).

2.12 Umpire's decision

An umpire may alter any decision provided that such alteration is made promptly and does not contradict clause 20.6 (Dead ball not to be revoked). This apart, an umpire's decision, once made, is final.

Playing Conditions for Men's 50 Over Matches

2.13 Signals

2.13.1 The following code of signals shall be used by umpires.

2.13.1.1 Signals made while the ball is in play

No ball - by extending one arm horizontally.

Out - by raising an index finger above the head. (If not out, the umpire shall call Not out.)

Wide - by extending both arms horizontally.

Dead ball - by crossing and re-crossing the wrists below the waist.

2.13.1.2 When the ball is dead, the bowler's end umpire shall repeat the signals in clause with the exception of the signal for Out, to the scorers.

2.13.1.3 The signals listed below shall be made to the scorers only when the ball is dead.

Boundary 4 - by waving an arm from side-to-side finishing with the arm across the chest.

Boundary 6 - by raising both arms above the head.

Bye - by raising an open hand above the head.

Five Penalty runs awarded to the batting side - by repeated tapping of one shoulder with the opposite hand.

Five Penalty runs awarded to the fielding side - by placing one hand on the opposite shoulder.

Leg bye - by touching a raised knee with the hand. New ball - by holding the ball above the head.

Revoke last signal - by touching both shoulders, each with the opposite hand.

Short run - by bending one arm upwards and touching the nearer shoulder with the tips of the fingers.

Free Hit – after signalling the No ball, the bowler's end umpire extends one arm straight upwards and moves it in a circular motion.

Powerplay Over - by rotating his arm in a large circle.

2.13.1.4 All the signals in clause 2.13.1.3 are to be made by the bowler's end umpire except that for Short run, which is to be signaled by the umpire at the end where short running occurs. However, the bowler's end umpire shall be responsible both for the final signal of Short run to the scorers and, if more than one run is short, for informing them as to the number of runs to be recorded.

2.13.1.5 The umpire shall wait until each signal to the scorers has been separately acknowledged by a scorer before allowing play to proceed.

Playing Conditions for Men's 50 Over Matches

If several signals are to be used, they should be given in the order that the events occurred.

2.14 Informing the umpires

Wherever the umpires are to receive information from captains or other players under these Playing Conditions, it will be sufficient for one umpire to be so informed and for him/her to inform the other umpire.

2.15 Correctness of scores

Consultation between umpires and scorers on doubtful points is essential. The umpires shall, throughout the match, satisfy themselves as to the correctness of the number of runs scored, the wickets that have fallen and, where appropriate, the number of overs bowled.

The umpires shall ensure that they are able to contact the scorers at any time during the match and at its conclusion to address any issues relating to the correctness of score

3 THE SCORERS

3.1 Appointment of scorers

Two scorers shall be appointed to record all runs scored, all wickets taken and, where appropriate, number of overs bowled.

3.2 Correctness of scores

The scorers shall frequently check to ensure that their records agree and consult with the umpires if necessary. See clause 2.15 (Correctness of scores).

3.3 Acknowledging signals

The scorers shall accept all instructions and signals given to them by the umpires and shall immediately acknowledge each separate signal.

4 THE BALL

4.1 Weight and size

The ball, when new, shall weigh not less than 5.5 ounces/155.9 g, nor more than 5.75 ounces/163 g, and shall measure not less than 8.81 in/22.4 cm, nor more than 9 in/22.9 cm in circumference.

4.2 Approval and control of balls

- 4.2.1 For the matches, where the association is providing the cricket ball/s, it is mandatory to use only those supplied. For the matches, where the Association is not providing the cricket ball/s all the teams shall use only such cricket ball/s that have been approved by the association. In the event, that any team does not carry cricket ball/s approved by the Association for the tournament, it will be treated as a default on the part of the team and umpires may be forced to award the match to the opponent.

Playing Conditions for Men's 50 Over Matches

- 4.2.2 Any of Kookaburra Senator/Club/Regulation or Turf
- 4.2.3 The fielding captain or his nominee may select the ball with which he wishes to bowl from the supply provided by the Association in the presence of the umpires.
- 4.2.4 The umpires shall be given all match ball(s) (See Clause 4.2.5) before the start of the match and retain possession of the match ball(s) throughout the duration of the match when play is not actually taking place.
- 4.2.5 Each team will have one new approved match ball and at least two (2) good used balls of varying condition of the same make as the approved match ball (e.g. one that was previously in the match used for approximately 20 overs, and one used in the match for approximately 35 overs)
- 4.2.6 If a good used ball is not available, a new ball may be used.
- 4.2.7 During play umpires shall periodically and irregularly inspect the condition of the ball and shall retain possession of it at the fall of a wicket, a drinks interval, or any other disruption in play.

4.3 New ball

- 4.3.1 One new ball shall be used at the start of each innings.

4.3 Ball lost or becoming unfit for play

If, during play, the ball cannot be found or recovered or the umpires agree that it has become unfit for play through normal use, the umpires shall replace it with a ball which has had wear comparable with that which the previous ball had received before the need for its replacement.

In the event of the ball becoming wet and soggy as a result of play continuing in inclement weather or it being affected by dew, or a white ball becoming significantly discolored and in the opinion of the umpires becoming unfit for play, the ball may be replaced for a ball that has comparable amount of wear even though it has not gone out of shape.

When the ball is replaced, the umpires shall inform the batters and the fielding captain.

5 THE BAT

5.1 The bat

- 5.1.1 The bat consists of two parts, a handle and a blade.
- 5.1.2 The basic requirements and measurements of the bat are set out in this clause with detailed specifications in Paragraph 1 of Appendix B

5.2 The handle

- 5.2.1 The handle is to be made principally of cane and/or wood.
- 5.2.2 The part of the handle that is wholly outside the blade is defined to be the upper portion of the handle. It is a straight shaft for holding the bat.
- 5.2.3 The upper portion of the handle may be covered with a grip.

Playing Conditions for Men's 50 Over Matches

5.3 The blade

- 5.3.1 The blade comprises the whole of the bat apart from the handle as defined in clause 5.2 and in paragraph 1.3 of Appendix B
- 5.3.2 The blade shall consist solely of wood and shall have a conventional flat face.

5.4 Protection and repair

Subject to the specifications in paragraph 1.4 of Appendix B and providing clause 5.5 is not contravened,

5.4.1 solely for the purposes of

either protection from surface damage to the face, sides and shoulders of the blade

or repair to the blade after surface damage,

material that is not rigid, either at the time of its application to the blade or subsequently, may be placed on these surfaces.

5.4.2 for repair of the blade after damage other than surface damage

5.4.2.1 solid material may be inserted into the blade

5.4.2.2 the only material permitted for any insertion is wood with minimal essential adhesives.

5.4.3 to prevent damage to the toe, material may be placed on that part of the blade but shall not extend over any part of the face, back or sides of the blade.

5.5 Damage to the ball

5.5.1 For any part of the bat, covered or uncovered, the hardness of the constituent materials and the surface texture thereof shall not be such that either or both could cause unacceptable damage to the ball.

5.5.2 Any material placed on any part of the bat, for whatever purpose, shall similarly not be such that it could cause unacceptable damage to the ball.

5.5.3 For the purpose of this clause, unacceptable damage is any change that is greater than normal wear and tear caused by the ball striking the uncovered wooden surface of the blade.

5.6 Contact with the ball

In these clauses,

The supervision of the remedial work shall be responsibility of on-field umpires and relevant ground authority.

The rescheduled starting time and the rescheduled cessation time, together with any make-up procedure as provided herein, shall be the responsibility of on-field umpires.

When calculating the length of playing time available for the match, or the length of either innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals, excluding those for drinks, will be taken into consideration. This calculation must not cause the match to finish earlier than the original or rescheduled time for cessation of play on the final scheduled day for play. If required the original time shall be extended to allow for one extra over for each team.
- 13.8.2.1.5 If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs have been bowled or the innings is completed.

- 13.8.2.2.4 The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.
- 13.8.2.2.5 A fixed time will be specified for the close of play by applying a rate of 14.28 overs per hour. With the exception of drinks intervals, the timing and duration of all relative delays, extensions in playing hours and interruptions in play, will be taken into consideration in specifying this time.
- 13.8.2.2.6 If the team fielding second fails to bowl the revised overs by the scheduled or rescheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.
- 13.8.2.2.7 Penalties shall apply for slow over-rates. See clause 13.10.

Playing Conditions for Men's 50 Over Matches

13.9 Delayed start due to late arrival of team

- 13.9.1 If the defaulting team fields first, they are required to bowl 50 overs by the scheduled interval or the recalculated number of overs if time is lost due to an interruption other than the delayed start due to late arrival after the start of the match.
- 13.9.2 If the team fielding first whether defaulted or not, fails to bowl the required number of overs by the scheduled or rescheduled time for cessation of the first session, play shall continue until the required number of overs has been bowled. Penalties shall apply for slow over-rates
- 13.9.3 If the defaulting team bats first, they are not entitled to the number of overs that would have been bowled during the delay. For example, if the delay is 20 minutes in a regular match than the maximum number of overs the defaulting team will face will be reduced to $(210 - 20) / 4.2 = 45$ overs. The team batting second is entitled to play full 50 overs or recalculated numbers of overs if time is lost due to an interruption other than the delayed start due to late arrival after the start of the match.

13.10 Over-rate Penalties

- 13.10.1 The fielding side shall be in position to bowl the first ball of the final over of the innings by the scheduled (or re-scheduled) cessation time for the innings (calculated in accordance with clause 13.9). In delayed or interrupted matches where there has been a reduction of 3 or more overs pursuant to clause 13.9.2, the fielding side shall be in position to bowl the first ball of the penultimate over of the innings by the scheduled (or re-scheduled) cessation time for the innings.
- 13.10.2 Where this requirement is not met, clause 28.7.2.2.3 shall be varied and from the start of the next over after the point in time at which the cessation time is reached (and for the remainder of the innings) no more than 4 fielders shall be permitted outside the fielding restriction area referred to in clause 28.7.2.1.
- 13.10.3 Clause 13.10.2 shall not apply where:
 - 13.10.3.1 a side's innings is reduced to less than 25 overs, unless the over-rate penalty has been applied prior to such reduction; or
 - 13.10.3.2 a side's innings is completed prior to the scheduled (or re-scheduled) cessation time for the innings.
- 13.10.4 The bowler's end umpire shall inform the captain of the fielding side, the batter and the other umpire of:
 - 13.10.4.1 the scheduled cessation time for the innings prior to the start of the innings, and of any rescheduled cessation time following any subsequent interruption to play; and
 - 13.10.4.2 any time allowances pursuant to clause 12.8.3 as and when they arise.
- 13.10.5 In the event of the fielding team failing to complete the full quota of overs in the scheduled or rescheduled cessation time, in addition to 13.10, the batting team will be credited with 6 runs for every whole over that has not been bowled by the fielding team in the scheduled or rescheduled cessation time.
- 13.10.6 Clause 13.10.5 shall not apply

Playing Conditions for Men's 50 Over Matches

13.10.6.1 If DLS calculation is used in the innings due to interruption. See Appendix G.

13.11 Number of Overs per Bowler

- 13.11.1 No bowler shall bowl more than 10 overs in an innings.
- 13.11.2 In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second, no bowler may bowl more than one-fifth of the total overs allowed.
- 13.11.3 Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
- 13.11.4 In the event of a bowler being incapacitated or suspended and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.
- 13.11.5 The scoreboard shall show the total number of overs bowled and the number of overs bowled by each bowler.

14 THE FOLLOW-ON

Shall not apply.

15 DECLARATION AND FORFEITURE

Shall not apply.

16 THE RESULT

16.1 A Win – one-innings match

- 16.1.1 Unless the winner is determined by DLS (see clause 16.4), the side which has scored in its one innings a total of runs in excess of that scored by the opposing side in its one completed innings shall win the match. See clause 13.3 (Completed innings). Note also clause 16.5 (Winning hit or extras).
- 16.1.2 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (clause 16.2), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs.
- 16.1.3 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (clause 16.2), all matches in which both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared a No Result.

16.2 Umpires/Match Referee awarding a match

- 16.2.1 A match shall be lost by a side which either
 - 16.2.1.1 concedes defeat or

Playing Conditions for Men's 50 Over Matches

16.2.1.2 in the opinion of the Umpires/Match Referee refuses to play and the Umpires/Match Referee shall award the match to the other side.

16.2.2 If an umpire considers that an action by any player or players might constitute a refusal by either side to play then the umpires together shall inform the Match Referee of this fact. The Match Referee shall together with the umpires ascertain the cause of the action. If the Match Referee, after due consultation with the umpires, then decides that this action does constitute a refusal to play by one side, he/she shall so inform the captain of that side. If the captain persists in the action the Umpire/Match Referee shall award the match in accordance with clause 16.2.1.2 above.

16.2.3 If action as in clause 16.2.2 above takes place after play has started and does not constitute a refusal to play the delay or interruption in play shall be dealt with in the same manner as provided for in clauses 13.8.2 (Delayed and Interrupted Matches) and 11.4 (Changing agreed times for intervals) above.

16.2.4 Umpires are not empowered to award the match to one team or another when the pitch and ground are not prepared for any reason including the field restriction markings even after the 30-minute grace period from the scheduled start of the match. See clause 41.19 - Default Penalties.

Note: In addition to the consequences of any refusal to play prescribed under this clause, any such refusal, whether temporary or final, may result in disciplinary action being taken against the captain and team responsible under the TDCA Code of Conduct.

16.3 All other matches – A Tie or No Result

16.3.1 A Tie

16.3.1.1 The result of a match shall be a Tie when all innings have been completed and the scores are equal.

16.3.1.2 If the scores are equal, the result shall be a tie and no account shall be taken of the number of wickets that have fallen.

16.3.2 No Result

16.3.2.1 See clause 16.1.3 above.

16.4 Calculation of the Target Score

16.4.1 Interrupted Matches

16.4.1.1 If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using DLS. The target set will always be a whole number and one run less will constitute a Tie.

16.4.2 Prematurely Terminated Matches

16.4.2.1 If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of

Playing Conditions for Men's 50 Over Matches

the suspension using DLS. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score

16.5 Winning hit or extras

- 16.5.1 As soon as a result is reached as defined in clauses 16.1, 16.2 or 16.3.1, the match is at an end. Nothing that happens thereafter, except as in clause 41.17 (Penalty runs), shall be regarded as part of it. Note also clause 16.8.
- 16.5.2 The side batting last will have scored enough runs to win only if its total of runs is sufficient without including any runs completed by the batters before the completion of a catch, or the obstruction of a catch, from which the striker could be dismissed.
- 16.5.3 If a boundary is scored before the batters have completed sufficient runs to win the match, the whole of the boundary allowance shall be credited to the side's total and, in the case of a hit by the bat, to the striker's score.

16.6 Statement of result

If the side batting last wins the match without losing all its wickets, the result shall be stated as a win by the number of wickets still then to fall, unless clause 16.4.2.1 (Prematurely Terminated Matches – Calculation of the Target Score) applies

If, without having scored a total of runs in excess of the total scored by the opposing side, the innings of the side batting last has been completed, but as the result of an award of 5 Penalty runs its total of runs is then sufficient to win, the result shall be stated as a win to that side by Penalty runs.

If the side fielding last wins the match, the result shall be stated as a win by runs.

If the match is decided by one side conceding defeat or refusing to play, the result shall be stated as Match Conceded or Match Awarded, as the case may be.

16.7 Correctness of result

Any decision as to the correctness of the scores shall be the responsibility of the umpires. See clause 2.15 (Correctness of scores).

16.8 Mistakes in scoring

If, after the players and umpires have left the field in the belief that the match has been concluded, the umpires discover that a mistake in scoring has occurred which affects the result then, subject to clause 16.9, they shall adopt the following procedure.

- 16.8.1 If, when the players leave the field, the side batting last has not completed its innings and either the number of overs to be bowled in that innings has not been completed, or the end of the innings has not been reached,
- then, unless one side concedes defeat, the umpires shall order play to resume.

Playing Conditions for Men's 50 Over Matches

Unless a result is reached sooner, play will then continue, if conditions permit, until the prescribed number of overs has been completed. The number of overs shall be taken as they were at the call of Time for the supposed conclusion of the match. No account shall be taken of the time between that moment and the resumption of play.

- 16.8.2 If, at this call of Time, the overs have been completed and no Playing time remains, or if the side batting last has completed its innings, the umpires shall immediately inform both captains of the necessary corrections to the scores and to the result.

16.9 Result not to be changed

Once the umpires have agreed with the scorers the correctness of the scores at the conclusion of the match – see clauses 2.15 (Correctness of scores) and 3.2 (Correctness of scores) – the result cannot thereafter be changed.

16.10 Points

16.10.1 Preliminary Matches The

points system is as follows: Win

	6
Tie	4
No Result or Abandoned	3
Loss	0

In the event of teams finishing on equal points, the right to play in the final match or tournament will be determined as follows:

- The team with the highest net run rate
- If still equal, the team with the most number of wins over the other team(s) who are equal on points and have the same number of wins
- The team with the most number of wins
- If still equal, the team with the most win percentage.

In a match declared as a No Result, run rate is not applicable.

16.10.2 Net Run Rate

A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.

In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Only those matches where results are achieved will count for the purpose of net run rate calculations. Whereas match is abandoned, but a result is achieved under Duckworth/Lewis/Stern, for net run rate purposes Team 1 will be credited with Team 2's Par Score on abandonment off the same number of overs faced by Team 2. Where a match is concluded with Duckworth/Lewis/Stern having been applied at an earlier point in the match,

Playing Conditions for Men's 50 Over Matches

Team 1 will be credited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

17 THE OVER

17.1 Number of balls

The ball shall be bowled from each end alternately in overs of 6 valid ball

17.2 Start of an over

An over has started when the bowler starts his run-up or, if there is no run-up, starts his action for the first delivery of that over.

17.3 Validity of balls

- 17.3.1 A ball shall not count as one of the 6 balls of the over unless it is delivered, even though, as in clause 38.3 (Non-striker leaving his ground early) a batter may be dismissed or some other incident occurs without the ball having been delivered.
- 17.3.2 A ball delivered by the bowler shall not count as one of the 6 balls of the over
- 17.3.2.1 if it is called dead, or is to be considered dead, before the striker has had an opportunity to play it. See clause 20.7 (Dead ball; ball counting as one of over).
 - 17.3.2.2 if it is called dead in the circumstances of clause 20.4.2.6. Note also the special provisions of clause 20.4.2.5 (Umpire calling and signaling Dead ball).
 - 17.3.2.3 if it is a No ball. See clause 21 (No ball).
 - 17.3.2.4 if it is a Wide. See clause 22 (Wide ball).
 - 17.3.2.5 when any of clauses 24.4 (Player returning without permission), 28.2 (Fielding the ball), 41.4 (Deliberate attempt to distract striker), or 41.5 (Deliberate distraction, deception or obstruction of batter) is applied.
- 17.3.3 Any deliveries other than those listed in clauses 17.3.1 and 17.3.2 shall be known as valid balls. Only valid balls shall count towards the 6 balls of the over.

17.4 Call of Over

When 6 valid balls have been bowled and when the ball becomes dead, the umpire shall call Over before leaving the wicket. See also clause 20.3 (Call of Over or Time).

17.5 Umpire miscounting

- 17.5.1 If the umpire miscounts the number of valid balls, the over as counted by the umpire shall stand.
- 17.5.2 If, having miscounted, the umpire allows an over to continue after 6 valid balls have been bowled, he/she may subsequently call Over when the ball becomes dead after any delivery, even if that delivery is not a valid ball.

Playing Conditions for Men's 50 Over Matches

17.6 Bowler changing ends

A bowler shall be allowed to change ends as often as desired, provided he does not bowl two overs consecutively, nor bowl parts of each of two consecutive overs, in the same innings.

17.7 Finishing an over

- 17.7.1 Other than at the end of an innings, a bowler shall finish an over in progress unless incapacitated or suspended under these Playing Conditions.
- 17.7.2 If for any reason, other than the end of an innings, an over is left uncompleted at the start of an interval or interruption, it shall be completed on resumption of play.

17.8 Bowler incapacitated or suspended during an over

If for any reason a bowler is incapacitated while running up to deliver the first ball of an over, or is incapacitated or suspended during an over, the umpire shall call and signal Dead ball. If a bowler is incapacitated or suspended during an over, another bowler shall complete the over from the same end, provided that he does not bowl two overs consecutively, nor bowl parts of each of two consecutive overs, in that innings.

17.9 Bowlers taping on hand

No taping is allowed for the bowler on his bowling hand. The bowler has to remove all kinds of taping from his bowling hand if he wants to bowl.

However, if an injury occurs on the field during play and blood is involved, it is reasonable in this situation where a finger or hand is bleeding, that the umpires allow tape to be used. This may be required to protect stitching, but not applicable for example if the injury is a result of friction caused by imparting spin on the ball.

For the avoidance of doubt, this will only apply to the match in which the injury has occurred. The umpires are to ensure the application of tape is as minimal as possible and of the correct color or thereabouts which will not distract the batters.

18 SCORING RUNS

18.1 A run

The score shall be reckoned by runs. A run is scored

- 18.1.1 so often as the batters, at any time while the ball is in play, have crossed and made good their ground from end to end.
- 18.1.2 when a boundary is scored. See clause 19 (Boundaries).
- 18.1.3 when Penalty runs are awarded. See clause 18.6.

18.2 Runs disallowed and runs not scored

Wherever in these Playing Conditions provision is made for the scoring of runs or awarding of penalties, such runs and penalties will be subject to any provisions that may be applicable for a

Playing Conditions for Men's 50 Over Matches

run to be disallowed or a run not to be scored (see Appendix A 11) or for the non-award of penalties.

When runs are disallowed, the one run penalty for No ball or Wide shall stand and 5 run penalties shall be allowed, except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

18.3 Short runs

- 18.3.1 A run is short if a batter fails to make good his ground in turning for a further run.
- 18.3.2 Although a short run shortens the succeeding one, the latter if completed shall not be regarded as short. A striker setting off for the first run from in front of the popping crease may do so also without penalty.

18.4 Unintentional short runs

Except in the circumstances of clause 18.5,

- 18.4.1 if either batter runs a short run, the umpire concerned shall, unless a boundary is scored, call and signal Short run as soon as the ball becomes dead and that run shall not be scored.
- 18.4.2 if, after either or both batters run short, a boundary is scored the umpire concerned shall disregard the short running and shall not call or signal Short run, unless the boundary is a result of an overthrow or wilful act of a fielder (see clause 19.8 – Overthrow or wilful act of fielder).
- 18.4.3 if both batters run short in one and the same run, this shall be regarded as only one short run.
- 18.4.4 if more than one run is short then, subject to clauses 18.4.2 and 18.4.3, all runs called as short shall not be scored.
- 18.4.5 if there has been more than one short run, the umpire shall inform the scorers as to the number of runs to be recorded.

18.5 Deliberate short runs

- 18.5.1 If either umpire considers that one or both batters deliberately ran short at that umpire's end, the umpire concerned shall, when the ball is dead, call and signal short run and inform the other umpire of what has occurred and apply 18.5.2.

A deliberate short run is an attempt for batters to appear to run more than one run, while at least one batter deliberately does not make good their ground at one end. Batters may choose to abort a run, provided the umpire believes that there was no intention by the batter concerned to deceive the umpires or to score the run in which they didn't make their ground.

- 18.5.2 The bowler's end umpire shall
- disallow all runs to the batting side
 - return any not out batter to his original end
 - signal No ball or Wide to the scorers, if applicable

Playing Conditions for Men's 50 Over Matches

- repeat the Short run signal to the scorers
- award 5 Penalty runs to the fielding side.
- **request the captain of the fielding side to identify which of the two batters will take strike for the next delivery.**
- award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side)
- inform the scorers as to the number of runs to be recorded, and
- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of the reason for this action.

18.6 Runs awarded for penalties

Runs shall be awarded for penalties under clauses 18.5 (Deliberate short runs), 21 (No ball), 22 (Wide ball), 24.4 (Player returning without permission), 26.4 (Penalties for contravention), 28.2 (Fielding the ball), 28.3 (Protective helmets belonging to the fielding side) 41 (Unfair play) and 42 (Players' conduct). Note, however, the restrictions on the award of Penalty runs in clauses 23.3 (Leg byes not to be awarded), 28.3 (Protective helmets belonging to the fielding side) and 34 (Hit the ball twice).

18.7 Runs scored for boundaries

Runs shall be scored for boundary allowances under clause 19 (Boundaries).

18.8 Runs scored when a batter is dismissed

When a batter is dismissed, any runs for penalties awarded to either side shall stand.

No other runs shall be credited to the batting side, except as follows.

- 18.8.1 If a batter is dismissed Obstructing the field, the batting side shall also score any runs completed before the offence.

If, however, the obstruction or distraction prevented a catch being made, no runs other than penalties shall be scored.

- 18.8.2 If a batter is dismissed Run out, the batting side shall also score any runs completed before the wicket was fairly broken.

18.9 Runs scored when the ball becomes dead other than at the fall of a wicket

When the ball becomes dead for any reason other than the fall of a wicket, or is called dead by an umpire, unless there is specific provision otherwise in these Playing Conditions, any runs for penalties awarded to either side shall be scored. Note however the provisions of clauses 23.3 (Leg byes not to be awarded) and 28.3 (Protective helmets belonging to the fielding side).

Additionally the batting side shall be credited with all runs completed by the batters before the incident or call of Deadball and the run in progress if the batters had already crossed at the instant of the incident or call of Dead ball. Note specifically, however, the provisions of clause 41.5.8 (Deliberate distraction, deception or obstruction of batter).

18.10 Crediting of runs scored

Playing Conditions for Men's 50 Over Matches

Unless stated otherwise in these Playing Conditions,

18.10.1 if the ball is struck by the bat, all runs scored by the batting side shall be credited to the striker, except for the following:

- an award of 5 Penalty runs, which shall be scored as Penalty runs
- the one run penalty for a No ball, which shall be scored as a No ball extra.

18.10.2 if the ball is not struck by the bat, runs shall be scored as Penalty runs, Byes, Leg byes, No ball extras or Wides as the case may be. If Byes or Leg byes accrue from a No ball, only the one run penalty for No ball shall be scored as such, and the remainder as Byes or Leg byes as appropriate.

18.10.3 the bowler shall be debited with:

- all runs scored by the striker
- all runs scored as No ball extras
- all runs scored as Wides

18.11 Batter returning to original end

18.11.1 When the striker is dismissed in any of the circumstances in clauses 18.11.1.1 to 18.11.1.7, the not out batter shall return to his original end.

18.11.1.1 Bowled.

18.11.1.2 Stumped.

18.11.1.3 Hit the ball twice.

18.11.1.4 LBW.

18.11.1.5 Hit wicket.

18.11.1.6 Caught

18.11.1.7 Obstructing the field, where the obstruction or distraction prevents the striker being out caught.

18.11.2 The batters shall return to their original ends in any of the cases of clauses 18.11.2.1 to 18.11.2.3.

18.11.2.1 A boundary is scored unless as a result of an overthrow or wilful act of a fielder (see clause 19.8).

18.11.2.2 Runs are disallowed for any reason.

18.11.2.3 the batters at the wicket decide to do so, under clause 41.5 (Deliberate distraction, deception or obstruction of batter).

18.12 Batter returning to wicket he has left

18.12.1 When a batter is dismissed in any of the ways in clauses 18.12.1.1 to 18.12.1.2, the not out batter shall return to the wicket he has left but only if the batters had not already

Playing Conditions for Men's 50 Over Matches

crossed at the instant of the incident causing the dismissal. If runs are to be disallowed, however, the not out batter shall return to his original end.

18.12.1.1 Obstructing the field, where the obstruction or distraction does not prevent the striker being out Caught.

18.12.1.2 Run out.

18.12.2 If, while a run is in progress, the ball becomes dead for any reason other than the dismissal of a batter, the batters shall return to the wickets they had left, but only if they had not already crossed in running when the ball became dead. If, however, any of the circumstances of clauses 18.11.2.1 to 18.11.2.3 apply, the batters shall return to their original ends.

19 BOUNDARIES

19.1 Determining the boundary of the field of play

19.1.1 Before the toss, the umpires shall determine the boundary of the field of play, which shall be fixed for the duration of the match. See clause 2.3.4 (Consultation with Umpires).

19.1.2 The boundary shall be determined such that no part of any sight-screen, will, at any stage of the match, be within the field of play.

19.1.3 The aim shall be to maximize the size of the playing area at each venue. With respect to the size of the boundaries, no boundary shall be longer than 90 yards (82.29 meters), and no boundary should be shorter than 65 yards (59.43 metres) from the centre of the pitch to be used.

19.1.4 At all times, there must be 3 yards (2.74 meters) from the boundary rope to the first solid object (advertising boards/LEDs, photographers, cameramen, dug outs, covers, perimeter fence) for the player's safety run off.

19.1.5 If the boundary is positioned less than 90 yards (82.29 meters) from the centre of the pitch, the boundary rope cannot be set at a distance of more than 10 yards (9.14 meters) from the perimeter fence. The 10 yards shall be inclusive of the 3 yards (2.74 meters) provided for the player's safety run off.

19.2 Identifying and marking the boundary

19.2.1 All boundaries must be designated by a rope, or similar object of a minimum standard as authorized by the TDCA from time to time.

19.2.2 If the boundary is marked by means of an object that is in contact with the ground the boundary will be the edge of the grounded part of the object which is nearest the pitch.

19.2.3 An obstacle within the field of play shall not be regarded as a boundary unless so determined by the umpires before the toss. See clause 2.3.4 (Consultation with captains).

19.2.4 If an unauthorized person enters the playing arena and handles the ball, the umpire at the bowler's end shall be the sole judge of whether the boundary allowance should be scored or the ball be treated as still in play or called dead ball if a batter is liable to be out as a result of the unauthorized person handling the ball. See also clause 20.4.2.12 (Umpire calling and signalling Dead ball).

Playing Conditions for Men's 50 Over Matches

19.3 Restoring the boundary

If a solid object used to mark the boundary is disturbed for any reason, then:

- 19.3.1 the boundary shall be considered to be in its original position.
- 19.3.2 the object shall be returned to its original position as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.
- 19.3.3 if some part of a fence or other marker has come within the field of play, that part shall be removed from the field of play as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.

19.4 Ball grounded beyond the boundary

- 19.4.1 The ball in play is grounded beyond the boundary if it touches
 - the boundary or any part of an object used to mark the boundary;
 - the ground beyond the boundary;
 - any object that is grounded beyond the boundary.
- 19.4.2 The ball in play is to be regarded as being grounded beyond the boundary if
 - a fielder, grounded beyond the boundary as in clause 19.5, touches the ball;
 - a fielder, after catching the ball within the boundary, becomes grounded beyond the boundary while in contact with the ball, before completing the catch.

19.5 Fielder grounded beyond the boundary

- 19.5.1 A fielder is grounded beyond the boundary if some part of his person is in contact with any of the following
 - the boundary or any part of an object used to mark the boundary;
 - the ground beyond the boundary;
 - any object that is in contact with the ground beyond the boundary;
 - another fielder who is grounded beyond the boundary.

19.5.2 A fielder who is not in contact with the ground is considered to be grounded beyond the boundary if, prior to their first contact with the ball, their final contact with the ground was not entirely within the boundary. This applies to any fielder who makes contact with the ball after it has been delivered by the bowler, whether or not the ball has previously been touched by another fielder.

19.5.2.1 If a fielder's first contact with the ball does not contravene 19.5.2, that fielder may then jump from outside the boundary in order to make contact with the ball whilst airborne. After making contact with the ball once airborne, all subsequent contact with the ground by that fielder, until the ball becomes dead, must be within the field of play. Any subsequent contact with the ground outside the boundary by that fielder during that delivery, whether or not in contact with the ball, will result in a boundary being scored.

Playing Conditions for Men's 50 Over Matches

19.5.2.2 If the ball is returned to the field of play, whether to another fielder or onto the ground, by a fielder who has jumped from outside the boundary, that fielder must land, and remain, within the boundary until the ball becomes dead. Otherwise a boundary shall be scored.

19.6 Boundary allowances

6 runs shall be allowed for a boundary 6, and 4 runs for a boundary 4. See also clause 19.7.

19.7 Runs scored from boundaries

19.7.1 A boundary 6 will be scored if and only if the ball has been struck by the bat and is first grounded beyond the boundary without having been in contact with the ground within the field of play. This shall apply even if the ball has previously touched a fielder.

19.7.2 A boundary 4 will be scored when a ball that is grounded beyond the boundary

- whether struck by the bat or not, was first grounded within the boundary, or

- has not been struck by the bat.

19.7.3 When a boundary is scored, the batting side, except in the circumstances of clause 19.8, shall be awarded whichever is the greater of

- the allowance for the boundary

- the runs completed by the batters together with the run in progress if they had already crossed at the instant the boundary is scored.

19.7.4 When the runs in clause 19.7.3.2 exceed the boundary allowance they shall replace the boundary allowance for the purposes of clause 18.12.2.

19.7.5 The scoring of Penalty runs by either side is not affected by the scoring of a boundary.

19.8 Overthrow or wilful act of fielder

If the boundary results from an overthrow or from the wilful act of a fielder, the runs scored shall be any runs for penalties awarded to either side

and the allowance for the boundary

and the runs completed by the batters, together with the run in progress if they had already crossed at the instant of the throw or act.

Clause 18.12.2 (Batter returning to wicket he has left) shall apply as from the instant of the throw or act.

20 DEAD BALL

20.1 Ball is dead

20.1.1 The ball becomes dead when

20.1.1.1 it is finally settled in the hands of the wicket-keeper or of the bowler

20.1.1.2 a boundary is scored. See clause 19.7 (Runs scored from boundaries).

20.1.1.3 a batter is dismissed. The ball will be deemed to be dead from the instant of the incident causing the dismissal.

Playing Conditions for Men's 50 Over Matches

- 20.1.1.4 whether played or not it becomes trapped between the bat and person of a batter or between items of his clothing or equipment.
 - 20.1.1.5 whether played or not it lodges in the clothing or equipment of a batter or the clothing of an umpire.
 - 20.1.1.6 there is an award of Penalty runs under either of clauses 24.4 (Player returning without permission) or 28.3 (Fielding the ball). The ball shall not count as one of the over.
 - 20.1.1.7 there is a contravention of clause 28.3 (Protective helmets belonging to the fielding side).
 - 20.1.1.8 the match is concluded in any of the ways stated in clause 12.6 (Conclusion of match).
- 20.1.2 The ball shall be considered to be dead when it is clear to the bowler's end umpire that the fielding side and both batters at the wicket have ceased to regard it as in play.

20.2 Ball finally settled

Whether the ball is finally settled or not is a matter for the umpire alone to decide.

20.3 Call of Over or Time

Neither the call of Over (see clause 17.4), nor the call of Time (see clause 12.2) is to be made until the ball is dead, either under clauses 20.1 or 20.4.

20.4 Umpire calling and signalling Dead ball

- 20.4.1 When the ball has become dead under clause 20.1, the bowler's end umpire may call and signal Dead ball if it is necessary to inform the players.
- 20.4.2 Where either umpire is required to call and signal Dead ball under 20.4.2.1 to 20.4.2.14, the ball will be considered to be dead at the instant of the incident causing the ball to become dead. However, where the Playing Conditions specifically provide for the call to be delayed, so as not to disadvantage the non-offending side, under clause 34.4 (Runs permitted from the ball lawfully struck more than once), clause 41.2.1 (Unfair actions) and clause 42.1.2 (Unacceptable conduct), the ball will be considered to be dead at the point of the call.

Either umpire shall call and signal Dead ball when

- 20.4.2.1 intervening in a case of unfair play.
- 20.4.2.2 a possibly serious injury to a player or umpire occurs.
- 20.4.2.3 leaving his/her normal position for consultation.
- 20.4.2.4 one or both bails fall from the striker's wicket before the striker has had the opportunity of playing the ball.
- 20.4.2.5 the striker is not ready for the delivery of the ball and, if the ball is delivered, makes no attempt to play it. Provided the umpire is satisfied that the striker had adequate reason for not being ready, the ball shall not count as one of the over.
- 20.4.2.6 the striker is distracted by any noise or movement or in any other way while

Playing Conditions for Men's 50 Over Matches

preparing to receive, or receiving a delivery. This shall apply whether the source of the distraction is within the match or outside it. Note also clause 20.4.2.7. The ball shall not count as one of the over.

20.4.2.7 there is an instance of a deliberate attempt to distract under either of clauses 41.4 (Deliberate attempt to distract striker) or 41.5 (Deliberate distraction, deception or obstruction of batter). The ball shall not count as one of the over.

20.4.2.8 the bowler drops the ball accidentally before delivery.

20.4.2.9 the bowler throws the ball towards the striker's end before entering his delivery stride.

20.4.2.10 the ball does not leave the bowler's hand for any reason other than an attempt to run out the non- striker under clause 38.3 (Non-striker leaving his ground early).

20.4.2.11 satisfied that the ball in play cannot be recovered.

20.4.2.12 he/she considers that either side has been disadvantaged by a person, animal or other object within the field of play. However, if both umpires consider the ball would have reached the boundary regardless of the intervention, the boundary should stand (see clause 19.2.4 – Identifying and marking the boundary).

20.4.2.13 the striker attempts to play the ball and no part of his/her person, whether grounded or raised, remains within the pitch as defined in clause 6.1 (Area of pitch).

20.4.2.14 required to do so under any of the Playing Conditions not included above.

20.5 Ball ceases to be dead

The ball ceases to be dead – that is, it comes into play – when the bowler starts his run-up or, if there is no run-up, starts his bowling action.

20.6 Dead ball not to be revoked

Once the ball is dead, no revoking of any decision can bring the ball back into play for that delivery.

20.7 Dead ball; ball counting as one of over

20.7.1 When a ball which has been delivered is called dead or is to be considered dead then, other than as in clause 20.7.2,

20.7.1.1 it will not count in the over if the striker has not had an opportunity to play it.

20.7.1.2 Unless No ball or Wide ball has been called, it will be a valid ball if the striker has had an opportunity to play it, except in the circumstances of clauses 20.4.2.6 and 24.4 (Player returning without permission), 28.2 (Fielding the ball), 41.4 (Deliberate attempt to distract striker) and 41.5 (Deliberate distraction, deception or obstruction of batter).

20.7.2 In clause 20.4.2.5, the ball will not count in the over only if both conditions of not attempting to play the ball and having an adequate reason for not being ready are met. Otherwise the delivery will be a valid ball.

21 NO BALL

Playing Conditions for Men's 50 Over Matches

21.1 Mode of delivery

- 21.1.1 The umpire shall ascertain whether the bowler intends to bowl right handed or left handed, over or round the wicket, and shall so inform the striker.
It is unfair if the bowler fails to notify the umpire of a change in his mode of delivery. In this case the umpire shall call and signal No ball.
- 21.1.2 Underarm bowling shall not be permitted.

21.2 Fair delivery – the arm

For a delivery to be fair in respect of the arm the ball must not be delivered with an Illegal Bowling Action.

An Illegal Bowling Action is defined as a bowling action where a bowler's Elbow Extension exceeds 15 degrees, measured from the point at which the bowling arm reaches the horizontal until the point at which the ball is released (any Elbow Hyperextension shall be discounted for the purposes of determining an Illegal Bowling Action).

Should either umpire/Match Referee suspect that a bowler has used an Illegal Bowling Action, they shall report the bowler and the team to TDCA after the match.

21.3 Ball thrown or delivered underarm – action by umpires

- 21.3.1 If, in the opinion of either umpire, the ball has been thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and, when the ball is dead, inform the other umpire of the reason for the call.
- The bowler's end umpire shall then
- warn the bowler, indicating that this is a first and final warning. This warning shall apply to that bowler throughout the innings.
 - inform the captain of the fielding side of the reason for this action.
 - inform the batters at the wicket of what has occurred.
- 21.3.2 If either umpire considers that, in that innings, a further delivery by the same bowler is thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and when the ball is dead inform the other umpire of the reason for the call.
- The bowler's end umpire shall then
- direct the captain of the fielding side to suspend the bowler immediately from bowling. The over shall, if applicable, be completed by another bowler, who shall neither have bowled the previous over or part thereof nor be allowed to bowl any part of the next over. The bowler thus suspended shall not bowl again in that innings.
 - inform the batters at the wicket and, as soon as practicable, the captain of the batting side of the reason for this action.
- 21.3.3 The umpires together shall report the occurrence as soon as possible after the match to the Match Referee/TDCA, who shall take such action as is considered appropriate against the bowler concerned.

Playing Conditions for Men's 50 Over Matches

21.4 Bowler throwing towards striker's end before delivery

If the bowler throws the ball towards the striker's end before entering the delivery stride, it is not a No ball and the procedure stated in 21.3 shall not apply. However, either umpire shall call and signal Dead ball under clause 20.4.2.9.

21.5 Fair delivery – the feet

For a delivery to be fair in respect of the feet, in the delivery stride

- 21.5.1 the bowler's back foot must land within and not touching the return crease appertaining to his stated mode of delivery.
- 21.5.2 the bowler's front foot must land with some part of the foot, whether grounded or raised
 - on the same side of the imaginary line joining the two middle stumps as the return crease described in clause 21.5.1, and
 - behind the popping crease.

21.6 Bowler breaking wicket in delivering ball

Either umpire shall call and signal No ball if, other than in an attempt to run out the non-striker under clause 38.3 (Non-striker leaving his/her ground early), the bowler breaks the wicket at any time after the ball comes into play and before completion of the stride after the delivery stride. This shall include any clothing or other object that falls from his person and breaks the wicket. See Appendix A.12. Laws 20.4.2.8, 20.4.2.10 (Umpire calling and signalling Dead ball) and 21.12 will apply.

21.7 Ball bouncing more than once, rolling along the ground or pitching off the pitch

The umpire shall call and signal No ball if a ball which he/she considers to have been delivered, without having previously touched bat or person of the striker,

- bounces more than once
- or rolls along the ground before it reaches the popping crease.
- or pitches wholly or partially off the pitch as defined in clause 6.1 (Area of pitch) before it reaches the line of the striker's wicket.

21.8 Ball causing the striker to leave the pitch or ball coming to rest in front of striker's wicket

If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, or is so far from the pitch that the striker would need to leave the pitch to attempt to play the ball (see clause 25.6 – Striker's right to play the ball) without having previously touched the bat or person of the striker, the umpire shall call and signal No ball and immediately call and signal Dead ball.

21.9 Fielder intercepting a delivery

If except in the circumstances of clause 27.3 (Position of wicket-keeper) a ball, delivered by the bowler, makes contact with any part of a fielder's person before it either makes contact with the striker's bat or person, or it passes the striker's wicket, the umpire shall call and signal No ball and immediately call and signal Dead ball.

Playing Conditions for Men's 50 Over Matches

21.10 Ball bouncing over head height of striker

See clauses 22.1.1.2 and 41.6.1.7.

21.11 Call of No ball for infringement of other clauses

In addition to the instances above, No ball is to be called and signalled as required by the following:

Clause 27.3 – Position of wicket-keeper

Clause 28.4 – Limitation of on side fielders Clause 28.5 – Fielders not to encroach on pitch.

Clause 41.6 – Bowling of dangerous and unfair short pitched deliveries.

Clause 41.7 – Bowling of dangerous and unfair non-pitching deliveries.

Clause 41.8 – Bowling of deliberate front foot No ball.

21.12 Revoking a call of No ball

An umpire shall revoke the call of No ball if Dead ball is called under any of Laws 20.4.2.4, 20.4.2.5, 20.4.2.6, 20.4.2.8 or 20.4.2.10 (Umpire calling and signalling Dead ball).

21.13 No ball to over-ride Wide

A call of No ball shall over-ride the call of Wide ball at any time. See clauses 22.1 (Judging a Wide) and 22.2 (Call and signal of Wide ball).

21.14 Ball not dead

The ball does not become dead on the call of No ball.

21.15 Penalty for a No ball

A penalty of one run shall be awarded instantly on the call of No ball. Unless the call is revoked, the penalty shall stand even if a batter is dismissed. It shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

21.16 Runs resulting from a No ball – how scored

The one run penalty shall be scored as a No ball extra and shall be debited against the bowler. If other Penalty runs have been awarded to either side these shall be scored as stated in clause 41.17 (Penalty runs). Any runs completed by the batters or any boundary allowance shall be credited to the striker if the ball has been struck by the bat; otherwise they shall also be scored as Byes or Leg byes as appropriate.

21.17 No ball not to count

A No ball shall not count as one of the over. See clause 17.3 (Validity of balls).

21.18 Out from a No ball

When No ball has been called, neither batter shall be out under any of the Playing Conditions except clause 34 (Hit the ball twice), clause 37 (Obstructing the field) or clause 38 (Run out).

Playing Conditions for Men's 50 Over Matches

21.19 Free Hit

- 21.19.1 In addition to the above, the delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batter is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide ball) then the next delivery will become a free hit for whichever batter is facing it.
- 21.19.2 For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball, even if the delivery for the free hit is called Wide.
- 21.19.3 Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:
- 21.19.3.1 There is a change of striker (the provisions of clause 41.2 shall apply), or
 - 21.19.3.2 The No Ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- 21.19.4 For clarity, the bowler can change his mode of delivery for the free hit delivery. In such circumstances clause 21.1 shall apply.
- 21.19.5 The umpires will signal a free hit by (after the normal No Ball signal) extending one arm straight upwards and moving it in a circular motion.

22 WIDE BALL

22.1 Judging a wide

- 22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2
- 22.1.1.1 the ball passes wide of where the striker is standing or has stood at any point after the ball came into play for that delivery and which also would have passed wide of the striker standing in a normal batting position.
 - 22.1.1.2 the ball passed above the head height of the striker standing upright at the popping crease.
- 22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke.
- 22.1.3 Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.
- 22.1.4 Any ball going outside the return crease shall be called wide irrespective of the position of striker

22.2 Call and signal of Wide ball

If the umpire adjudges a delivery to be a Wide he/she shall call and signal Wide ball as soon as the ball passes the striker's wicket. It shall, however, be considered to have been a Wide from the instant that the bowler entered his delivery stride, even though it cannot be called Wide until it passes the striker's wicket.

Playing Conditions for Men's 50 Over Matches

22.3 Revoking a call of Wide ball

- 22.3.1 The umpire shall revoke the call of Wide ball if there is any contact between the ball and the striker's bat or person before the ball comes into contact with any fielder.
- 22.3.2 The umpire shall revoke the call of Wide ball if a delivery is called a No ball. See clause 21.13 (No ball to over-ride Wide).

22.4 Delivery not a Wide

- 22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.
- 22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

22.5 Ball not dead

The ball does not become dead on the call of Wide ball.

22.6 Penalty for a Wide

A penalty of one run shall be awarded instantly on the call of Wide ball. Unless the call is revoked, under clause 22.3, this penalty shall stand even if a batter is dismissed, and shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

22.7 Runs resulting from a Wide – how scored

All runs completed by the batters or a boundary allowance, together with the penalty for the Wide, shall be scored as Wide balls. Apart from any award of 5 Penalty runs, all runs resulting from a Wide shall be debited against the bowler.

22.8 Wide not to count

A Wide shall not count as one of the over. See clause 17.3 (Validity of balls).

22.9 Out from a Wide

When Wide ball has been called, neither batter shall be out under any of the Playing Conditions except clause 35 (Hitwicket), clause 37 (Obstructing the field), clause 38 (Run out) or clause 39 (Stumped).

23 BYE AND LEG BYE

23.1 Byes

If the ball, delivered by the bowler, not being a Wide, passes the striker without touching his bat or person, any runs completed by the batters from that delivery, or a boundary allowance, shall be credited as Byes to the batting side. Additionally, if the delivery is a No ball, the one run penalty for such a delivery shall be incurred.

Playing Conditions for Men's 50 Over Matches

23.2 Leg byes

- 23.2.1 If a ball delivered by the bowler first strikes the person of the striker, runs shall be scored only if the umpire is satisfied that the striker has
- either attempted to play the ball with the bat or
- tried to avoid being hit by the ball.
- 23.2.2 If the umpire is satisfied that either of these conditions has been met runs shall be scored as follows:
- 23.2.2.1 If there is
- either no subsequent contact with the striker's
- bat or person, or only inadvertent contact with
- the striker's bat or person
- any runs completed by the batters or a boundary allowance shall be credited to the striker in the case of subsequent contact with his bat but otherwise to the batting side as in clause 23.2.3.
- 23.2.2.2 If the striker wilfully makes a lawful second strike, clause 34.3 (Ball lawfully struck more than once) and clause 34.4 (Runs permitted from ball lawfully struck more than once) shall apply.
- 23.2.3 The runs in clause 23.2.2.1, unless credited to the striker, shall be scored as Leg byes. Additionally, if the delivery is a No ball, the one run penalty for the No ball shall be incurred.

23.3 Leg byes not to be awarded

If in the circumstance of clause 23.2.1 the umpire considers that neither of the conditions therein has been met, then Leg byes shall not be awarded.

If the ball does not become dead for any other reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run.

The umpire shall then:

- disallow all runs to the batting side;
- return any not out batter to his original end;
- signal No ball to the scorers if applicable;
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

24 FIELDER'S ABSENCE; SUBSTITUTES

24.1 Substitute fielders

- 24.1.1 The umpires shall allow a substitute fielder

Playing Conditions for Men's 50 Over Matches

24.1.1.1 if they are satisfied that a fielder has been injured or become ill and that this occurred during the match, or

24.1.1.2 for any other wholly acceptable reason.

In all other circumstances, a substitute is not allowed. For clarity, no substitute for late-coming players for any reason.

24.1.2 A substitute shall not bowl or act as captain but may act as wicket-keeper only with the consent of the umpires. Note, however, clause 42.4.1.

24.1.3 A nominated player may bowl or field even though a substitute has previously acted for him, subject to 24.2 and 24.3.

24.1.4 Squad members of the fielding or batting team who are not playing in the match and who are not acting as substitute fielders shall be required to wear a team training bib whilst on the playing area (including the area between the boundary and the perimeter fencing).

24.2 Fielder absent or leaving the field of play

24.2.1 A player going briefly outside the boundary while carrying out any duties as a fielder is not absent from the field of play nor, for the purposes of this clause, is he to be regarded as having left the field of play.

24.2.2 If a fielder fails to take the field at the start of play or at any later time, or leaves the field during play,

24.2.2.1 an umpire shall be informed of the reason for this absence.

24.2.2.2 he shall not thereafter come on to the field of play during a session of play without the consent of the umpire. See clause 24.4. The umpire shall give such consent as soon as it is practicable.

24.2.3 If a player is absent from the field for longer than 8 minutes, the following restrictions shall apply to their future participation in the match:

24.2.3.1 The player shall not be permitted to bowl in the match until he has either been able to field, or his team has subsequently been batting, for the total length of playing time for which the player was absent (hereafter referred to as Penalty time). A player's unexpired Penalty time shall be limited to a maximum of 120 minutes. If any unexpired Penalty time remains at the end of an innings, it is carried forward to the next and subsequent innings of the match.

24.2.3.2 The player shall not be permitted to bat in the match until his team's batting innings has been in progress for the length of playing time that is equal to the unexpired Penalty time carried forward from the previous innings. However, once his side has lost five wickets in its batting innings, he may bat immediately. If any unexpired penalty time remains at the end of that batting innings, it is carried forward to the next and subsequent innings of the match.

24.2.4 If the player leaves the field before having served all of his Penalty time, the balance is carried forward as unserved Penalty time.

24.2.5 On any occasion of absence, the amount of playing time for which the player is off the field shall be added to any Penalty time that remains unserved, subject to a maximum

Playing Conditions for Men's 50 Over Matches

cumulative Penalty time of 120 minutes, and that player shall not bowl until all of his Penalty time has been served.

24.2.6 For the purposes of clauses 24.2.3.1 and 24.2.3.2, playing time shall comprise the time play is in progress excluding intervals, intervals between innings and official drinks intervals. For clarity, a player's Penalty time will continue to expire after he is dismissed, for the remainder of his team's batting innings.

24.2.7 If there is an unscheduled break in play, the stoppage time shall count as Penalty time served, provided that,

24.2.7.1 the fielder who was on the field of play at the start of the break either takes the field on the resumption of play, or his side is now batting.

24.2.7.2 the fielder who was already off the field at the start of the break notifies an umpire in person as soon as he is able to participate, and either takes the field on the resumption of play, or his side is now batting. Stoppage time before an umpire has been so notified shall not count towards unserved Penalty time.

24.2.8 Any unserved Penalty time shall be carried forward into the next innings of the match, as applicable.

24.2.9 If a player is seriously injured or any kind of injury (batter/bowler/fielder) happens on the field of play and requires medical attention, the maximum time allowed for that player to recover from the injury and to be ready to participate in the match is 4 minutes. The player has to leave the field if he needs more time to recover. See Appendix F.

24.3 Penalty time not incurred

A nominated player's absence will not incur Penalty time if,

24.3.1 he has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field.

24.3.2 in the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury.

24.3.3 the player is absent from the field for a period of 8 minutes or less.

24.4 Player returning without permission

If a player comes on to the field of play in contravention of clause 24.2.2 and comes into contact with the ball while it is in play, the ball shall immediately become dead.

- The umpires shall signal No ball or Wide ball to the scorers, if applicable.
- The umpire shall award 5 Penalty runs to the batting side.
- Runs completed by the batters shall be scored together with the run in progress if they had already crossed at the instant of the offence.
- The ball shall not count as one of the over.
- The umpire shall inform the other umpire, the captain of the fielding side, the batters and, as soon as practicable, the captain of the batting side of the reason for this action.

Playing Conditions for Men's 50 Over Matches

25 BATTER'S INNINGS

25.1 Eligibility to act as a batter

Only a nominated player may bat and, subject to clause 25.3, may do so even though a substitute fielder has previously acted for him

25.2 Commencement of a batter's innings

The innings of the first two batters, and that of any new batter on the resumption of play after a call of Time, shall commence at the call of Play. At any other time, a batter's innings shall be considered to have commenced when that batter first steps onto the field of play.

25.3 Restriction on batter commencing an innings

- 25.3.1 If a member of the batting side has unserved Penalty time, see clause 24.2.7, that player shall not be permitted to bat until that Penalty time has been served. However, even if the unserved Penalty time has not expired, that player may bat after his side has lost 5 wickets.
- 25.3.2 A member of the batting side's Penalty time is served during Playing time, in the event of an unscheduled stoppage, the stoppage time after the batter notifies an umpire in person that he is able to participate shall count as Penalty time served.
- 25.3.3 If any unserved Penalty time remains at the end of a team's innings, it shall be carried forward to the next innings of the match if appropriate.

25.4 Batter retiring

- 25.4.1 A batter may retire at any time during his innings when the ball is dead. The umpires, before allowing play to proceed, shall be informed of the reason for a batter retiring.
- 25.4.2 If a batter retires because of illness, injury or any other unavoidable cause, that batter is entitled to resume his innings. If for any reason this does not happen, that batter is to be recorded as 'Retired - not out'
- 25.4.3 If a batter retires for any reason other than as in clause 25.4.2, the innings of that batter may be resumed only with the consent of the opposing captain. If for any reason his innings is not resumed, that batter is to be recorded as 'Retired - out'.
- 25.4.4 If after retiring a batter resumes his innings, subject to the requirements of clauses 25.4.2 and 25.4.3, it shall be only at the fall of a wicket or the retirement of another batter.

25.5 Runners

Runners shall not be permitted.

25.6 Striker's right to play the ball

The striker has a right to play the ball, or to make a legitimate second strike, after it has been delivered, without interference from the wicket-keeper or any other fielder (see clause 27.5 – Restrictions on actions of wicket-keeper and clause 27.6 – Interference with wicket-keeper by striker).

Playing Conditions for Men's 50 Over Matches

However, the striker may only attempt to play the ball if some of his/her bat or person, whether grounded or raised, remains within the pitch, as defined in clause 6.1 (Area of pitch). Should no part of the striker's bat or person remain within the pitch, whilst the striker is playing the ball, either umpire shall immediately call and signal Dead ball.

26 PRACTICE ON THE FIELD

26.1 Practice on the pitch or the rest of the square

- 26.1.1 There shall not be any practice on the pitch at any time.
- 26.1.2 There shall not be any practice on the rest of the square at any time except with the approval of the umpires.
- 26.1.2.1 If approved by the umpires, the use of the square for practice on any day of any match will be restricted to any netted practice area or bowling strips specifically prepared on the edge of the square for that purpose.
- 26.1.2.2 Bowling practice on the bowling strips referred to above shall also be permitted during the interval (and change of innings if not the interval) unless the umpires consider that, in the prevailing conditions of ground and weather, it will be detrimental to the surface of the square.

26.2 Practice on the outfield

- 26.2.1 On any day of the match, all forms of practice are permitted on the outfield
- before the start of play
 -
 - after the close of play, and
 - during the interval or between innings
- providing the umpires are satisfied that such practice will not cause significant deterioration in the condition of the outfield.
- 26.2.2 Between the call of Play and the call of Time, practice shall be permitted on the outfield, providing that all of the following conditions are met:
- only the fielders as defined in paragraph 7 of Appendix A participate in such practice.
 - no ball other than the match ball is used for this practice.
 - no bowling practice takes place in the area between the square and the boundary in a direction parallel to the match pitch.
 - the umpires are satisfied that it will not contravene either of clauses 41.3 (The match ball changing its condition) or 41.9 (Time wasting by the fielding side).
- Bowling a ball, using a short run up to a player in the outfield is not to be regarded as bowling practice but shall be subject to the other conditions in this clause.

Playing Conditions for Men's 50 Over Matches

26.3 Trial run-up

A bowler is permitted to have a trial run-up provided the umpire is satisfied that it will not contravene either of clauses 41.9 (Time wasting by the fielding side) or 41.12 (Fielder damaging the pitch).

26.4 Penalties for contravention

All forms of practice are subject to the provisions of clauses 41.13 (The match ball – changing its condition), 41.9 (Time wasting by the fielding side) and 41.12 (Fielder damaging the pitch).

26.4.1 If there is a contravention of any of the provisions of clause 26.1 or 26.2, the umpire shall

- warn the player that the practice is not permitted;
- inform the other umpire and, as soon as practicable, both captains of the reason for this action.

26.4.1.1 If the contravention is by a batter at the wicket, the umpire shall inform the other batter and each incoming batter that the warning has been issued. The warning shall apply to the team of that player throughout the match.

26.4.2 If during the match there is any further contravention by any player of that team, the umpire shall

- award 5 Penalty runs to the opposing side;
- inform the other umpire, the scorers and, as soon as practicable, both captains, and, if the contravention is during play, the batters at the wicket.
- The umpires together may report the occurrence as soon as possible after the match to the Match Referee/TDCA.

27 THE WICKET-KEEPER

27.1 Protective equipment

The wicket-keeper is the only fielder permitted to wear gloves and external leg guards. If these are worn, they are to be regarded as part of his person for the purposes of clause 28.2 (Fielding the ball). If by the wicket-keeper's actions and positioning when the ball comes into play it is apparent to the umpires that he will not be able to carry out the normal duties of a wicket-keeper, he shall forfeit this right and also the right to be recognized as a wicket-keeper for the purposes of clauses 33.2 (A fair catch), 39 (Stumped), 28.1 (Protective equipment), (Limitation of on-side fielders) and 28.5 (Fielders not to encroach on pitch).

27.2 Gloves

27.2.1 If, as permitted under clause 27.1, the wicket-keeper wears gloves, they shall have no webbing between the fingers except joining index finger and thumb, where webbing may be inserted as a means of support.

27.2.2 If used, the webbing shall be a single piece of non-stretch material which, although it may have facing material attached, shall have no reinforcements or tucks.

Playing Conditions for Men's 50 Over Matches

- 27.2.3 The top edge of the webbing shall not protrude beyond the straight line joining the top of the index finger to the top of the thumb and shall be taut when a hand wearing the glove has the thumb fully extended. See paragraph 3 of Appendix B.

27.3 Position of wicket-keeper

- 27.3.1 The wicket-keeper shall remain wholly behind the wicket at the striker's end from the moment the ball comes into play until a ball delivered by the bowler:

touches the bat or person of the striker; or

passes the wicket at the striker's end; or

the striker attempts a run.

- 27.3.2 In the event of the wicket-keeper contravening this clause, the striker's end umpire shall call and signal No ball as soon as applicable after the delivery of the ball.

27.4 Movement by wicket-keeper

- 27.4.1 After the ball comes into play and before it reaches the striker, it is unfair if the wicket-keeper significantly alters his position in relation to the striker's wicket, except for the following:

27.4.1.1 movement of a few paces forward for a slower delivery, unless in so doing it brings him within reach of the wicket.

27.4.1.2 lateral movement in response to the direction in which the ball has been delivered.

27.4.1.3 movement in response to the stroke that the striker is playing or that his actions suggest he intends to play. However the provisions of clause 27.3 shall apply.

- 27.4.2 In the event of unfair movement by the wicket-keeper, either umpire shall call and signal Dead ball and inform the other umpire of the reason for doing so. The bowler's end umpire shall then:

27.4.2.1 award the one-run penalty for Wide or No ball, if applicable.

27.4.2.2 award 5 Penalty runs to the batting side.

27.4.2.3 inform the captain of the fielding side of the reason for this action.

27.4.2.4 inform the batters and, as soon as practicable, the captain of the batting side of what has occurred.

The umpires together shall report the occurrence as soon as possible after the match to the Match Referee/TDCA, who shall take such action as is considered appropriate against the wicket-keeper concerned.

27.5 Restriction on actions of wicket-keeper

If, in the opinion of either umpire, the wicket-keeper interferes with the striker's right to play the ball and to guard his wicket, clause 20.4.2.6 (Umpire calling and signalling Dead ball) shall apply.

Playing Conditions for Men's 50 Over Matches

If, however, either umpire considers that the interference by the wicket-keeper was wilful, then clause 41.4 (Deliberate attempt to distract striker) shall also apply.

27.6 Interference with wicket-keeper by striker

If, in playing at the ball or in the legitimate defence of his wicket, the striker interferes with the wicket-keeper, he shall not be out except as provided for in clause 37.3 (Obstructing a ball from being caught).

28 THE FIELDER

28.1 Protective equipment

No fielder other than the wicket-keeper shall be permitted to wear gloves or external leg guards. In addition, protection for the hand or fingers may be worn only with the consent of the umpires.

For the avoidance of doubt, in the umpire's opinion, any fielder having excessive taping on his hands or fingers may be advised to be removed.

The exchange of protective equipment between members of the fielding side on the field shall be permitted provided that the umpires do not consider that it constitutes a waste of playing time.

To eliminate any waste of playing time, any protective equipment other than a helmet (e.g. shin pads, etc.) once taken to the field, must be worn until the fall of a wicket or retirement of a batter or the next interval.

28.2 Fielding the ball

28.2.1 A fielder may field the ball with any part of his person (see paragraph 12 of Appendix A), except as in clause 28.2.1.2. However, he will be deemed to have fielded the ball illegally if, while the ball is in play he willfully

28.2.1.1 uses anything other than part of his person to field the ball.

28.2.1.2 extends his clothing with his hands and uses this to field the ball.

28.2.1.3 discards a piece of clothing, equipment or any other object which subsequently makes contact with the ball

28.2.2 It is not illegal fielding if the ball in play makes contact with a piece of clothing, equipment or any other object which has accidentally fallen from the fielder's person, or been dropped by an umpire.

28.2.3 If a fielder illegally fields the ball, the ball shall immediately become dead and

- the penalty for a No ball or a Wide shall stand.

- any runs completed by the batters shall be credited to the batting side, together with the run in progress if the batters had already crossed at the instant of the offence.

- the ball shall not count as one of the over.

In addition the umpire shall:

- award 5 Penalty runs to the batting side.

Playing Conditions for Men's 50 Over Matches

- inform the other umpire and the captain of the fielding side of the reason for this action.
- inform the batters and, as soon as practicable, the captain of the batting side of what has occurred.

28.3 Protective helmets belonging to the fielding side

- 28.3.1 Protective helmets, when not in use by fielders, may not be placed on the ground, above the surface except behind the wicket-keeper and in line with both sets of stumps.
- 28.3.2 If the ball while in play strikes a helmet, placed as described in clause 28.3.1, the ball shall become dead and, subject to clause 28.3.3,
- 28.3.2.1 The umpire shall signal No ball or Wide ball to the scorers, if applicable
 - 28.3.2.2 an award of 5 Penalty runs shall be made to the batting side;
 - 28.3.2.3 any runs completed by the batters before the ball strikes the protective helmet shall be scored, together with the run in progress if the batters had already crossed at the instant of the ball striking the protective helmet.
- 28.3.3 If the ball while in play strikes the protective helmet, placed as described in clause 28.3.1, unless the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice), apply, the umpire shall:
- permit the batter's runs as in clause 28.3.2.3 to be scored
 - signal No ball or Wide ball to the scorers if applicable
 - award 5 Penalty runs as in clause 28.3.2.2
 - award any other Penalty runs due to the batting side
- 28.3.4 If the ball while in play strikes a helmet, placed as described in clause 28.3.1, and the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice) apply, the umpire shall:
- disallow all runs to the batting side
 - return any not out batter to his original end
 - signal No ball or Wide ball to the scorers if applicable
 - award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3.2.

28.4 Limitation of on side fielders

- 28.4.1 At the instant of delivery, there may not be more than 5 fielders on the leg side.
- 28.4.2 At the instant of the bowler's delivery there shall not be more than two fielders, other than the wicket-keeper, behind the popping crease on the on side. A fielder will be considered to be behind the popping crease unless the whole of his person whether grounded or in the air is in front of this line.

Playing Conditions for Men's 50 Over Matches

28.4.3. In the event of infringement of this clause by any fielder, the striker's end umpire shall call and signal No ball.

28.5 Fielders not to encroach on pitch

While the ball is in play and until the ball has made contact with the striker's bat or person, or has passed the striker's bat, no fielder, other than the bowler, may have any part of his person grounded on or extended over the pitch.

In the event of infringement of this clause by any fielder other than the wicket-keeper, the bowler's end umpire shall call and signal No ball as soon as possible after delivery of the ball. Note, however, clause 27.3 (Position of wicketkeeper).

28.6 Movement by any fielder other than the wicket-keeper

28.6.1 Any movement by any fielder, excluding the wicket-keeper, after the ball comes into play and before the ball reaches the striker, is unfair except for the following:

- 28.6.1.1 minor adjustments to stance or position in relation to the striker's wicket.
- 28.6.1.2 movement by any fielder, other than a close fielder, towards the striker or the striker's wicket that does not significantly alter the position of the fielder.
- 28.6.1.3 movement by any fielder in response to the stroke that the striker is playing or that his actions suggest he intends to play.

28.6.2 In all circumstances clause 28.4 (Limitation of on side fielders) shall apply.

28.6.3 In the event of such unfair movement, either umpire shall call and signal Dead ball and inform the other umpire of the reason for doing so. The bowler's end umpire shall then:

- 28.6.3.1 award the one-run penalty for Wide or No ball, if applicable
- 28.6.3.2 award 5 Penalty runs to the batting side
- 28.6.3.3 inform the captain of the fielding side of the reason for this action.
- 28.6.3.4 inform the batters and, as soon as practicable, the captain of the batting side of what has occurred.

The umpires together shall report the occurrence as soon as possible after the match to the Match Referee/TDCA, who shall take such action as is considered appropriate against the fielder concerned.

28.6.4 Note also the provisions of clause 41.4 (Deliberate attempt to distract striker). See also clause 27.4 (Movement by wicket-keeper).

28.7 Restrictions on the placement of fielders

28.7.1 In addition to the restrictions contained in clause 28.4 above, further fielding restrictions shall apply to certain overs in each innings. The nature of such fielding restrictions and the overs during which they shall apply are set out in the following paragraphs.

Playing Conditions for Men's 50 Over Matches

28.7.2 The following fielding restrictions shall apply:

28.7.2.1 Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field. (Refer to paragraph 2 of Appendix C). The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard (4.57 metres) intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter.

28.7.2.2 At the instant of delivery:

28.7.2.2.1 Powerplay 1 - no more than two (2) fielders shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 1 to 10 inclusive

28.7.2.2.2 Powerplay 2 - no more than four (4) fielders shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 11 to 40 inclusive

28.7.2.2.3 Powerplay 3 - no more than five (5) fielders shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 41 to 50 inclusive

28.7.2.3 In circumstances when the number of overs of the batting team is reduced, the number of overs within each phase of the innings shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match.

20	4	12	4

28.7.2.4 If play is interrupted during an innings and the table above applies, the Powerplay takes immediate effect. For the avoidance of doubt this applies even if the interruption has occurred mid-over.

Illustrations:

A 50 over innings is interrupted after 8.3 overs and reduced to 32 overs. The new phases are 7+19+6. Therefore the middle phase fielding restrictions take immediate effect when play resumes and last for a further 17.3 overs. The final phase begins after 26 overs have been bowled.

A 50 over innings is interrupted after 18.5 overs and reduced to 22 overs. The new phases are 5+13+4. When play resumes, the final phase fielding restrictions apply for the remaining 3.1 overs.

28.7.2.5 At the commencement of the middle and final phases of an innings, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.

28.7.2.6 The scoreboard shall indicate the current Powerplay in progress.

28.7.2.7 In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal No ball.

29 THE WICKET IS DOWN

29.1 Wicket put down

The wicket is broken when at least one bail is completely removed from the tops of the stumps, or one of the stumps is removed from the ground.

29.2 Breaking the wicket fairly

29.2.1 The wicket is put down if a bail is completely removed from the top of the stumps, or a stump is struck out of the ground,

29.2.1.1 by the ball,

29.2.1.2 by the striker's bat if held or by any part of the bat that he is holding,

29.2.1.3 for the purpose of this clause only, by the striker's bat not in hand, or by any part of the bat which has become detached,

29.2.1.4 by the striker's person or by any part of his clothing or equipment becoming detached from his person,

29.2.1.5 by a fielder with his hand or arm, providing that the ball is held in the hand or hands so used, or in the hand of the arm so used.

29.2.1.6 The wicket is also put down if a fielder strikes or pulls a stump out of the ground as in 29.1.2.5.

Playing Conditions for Men's 50 Over Matches

29.2.2 The disturbance of a bail, whether temporary or not, shall not constitute its complete removal from the top of the stumps, but if a bail in falling lodges between two of the stumps this shall be regarded as complete removal.

29.3 One bail off

If one bail is off, it shall be sufficient for the purpose of putting the wicket down to remove the remaining bail or to strike or pull any of the three stumps out of the ground, in any of the ways stated in clause 29.1.

29.4 Remaking wicket

If a wicket is broken or put down while the ball is in play, it shall not be remade by an umpire until the ball is dead. See clause 20 (Dead ball).

Any fielder may, however, while the ball is in play,

- replace a bail or bails on top of the stumps.
- put back one or more stumps into the ground where the wicket originally stood.

29.5 Dispensing with bails

If the umpires have agreed to dispense with bails in accordance with clause 8.4 (Dispensing with bails), it is for the umpire concerned to decide whether or not the wicket has been put down.

29.5.1 After a decision to play without bails, the wicket has been put down if the umpire concerned is satisfied that the wicket has been struck by the ball, by the striker's bat, person or items of his clothing or equipment as described in clauses 29.2.1.2, 29.2.1.3 or 29.2.1.4, or by a fielder in the manner described in clause 29.2.1.5.

29.5.2 If the wicket has already been broken or put down, clause 29.5.1 shall apply to any stump or stumps still in the ground. Any fielder may replace a stump or stumps, in accordance with clause 29.4, in order to have an opportunity of putting the wicket down.

30 BATTER OUT OF HIS GROUND

30.1 When out of his ground

30.1.1 A batter shall be considered to be out of his ground unless some part of his person or bat is grounded behind the popping crease at that end.

30.1.2 However, a batter shall not be considered to be out of his ground if, in running or diving towards his ground and beyond, and having grounded some part of his person or bat beyond the popping crease, there is subsequent loss of contact between the ground and any part of his person or bat, or between the bat and person.

30.2 Which is a batter's ground

30.2.1 If only one batter is within a ground, it is his ground and will remain so even if he is later joined there by the other batter.

30.2.2 If both batters are in the same ground and one of them subsequently leaves it, the ground belongs to the batter who remains in it.

Playing Conditions for Men's 50 Over Matches

30.2.3 If there is no batter in either ground, then each ground belongs to whichever batter is nearer to it, or, if the batters are level, to whichever batter was nearer to it immediately prior to their drawing level.

30.2.4 If a ground belongs to one batter, then the other ground belongs to the other batter, irrespective of his position.

30.3 Position of non-striker

The non-striker, when standing at the bowler's end, should be positioned on the opposite side of the wicket to that from which the ball is being delivered, unless a request to do otherwise is granted by the umpire.

31 APPEALS

31.1 Umpire not to give batter out without an appeal

Neither umpire shall give a batter out, even though he may be out under these Playing Conditions, unless appealed to by a fielder. This shall not debar a batter who is out under these Playing Conditions from leaving the wicket without an appeal having been made. Note, however, the provisions of clause 31.7.

31.2 Batter dismissed

A batter is dismissed if he is

either given out by an umpire, on appeal

or out under these Playing Conditions and leaves the wicket as in clause 31.1.

31.3 Timing of appeals

For an appeal to be valid, it must be made before the bowler begins his run-up or, if there is no run-up, his bowling action to deliver the next ball, and before Time has been called.

The call of Over does not invalidate an appeal made prior to the start of the following over, provided Time has not been called. See clauses 12.2 (Call of Time) and 17.2 (Start of an over).

31.4 Appeal "How's That?"

An appeal "How's That?" covers all ways of being out.

31.5 Answering appeals

The striker's end umpire shall answer all appeals arising out of any of clauses 35 (Hit wicket), 39 (Stumped) or 38 (Run out) when this occurs at the wicket-keeper's end. The bowler's end umpire shall answer all other appeals.

When an appeal is made, each umpire shall answer on any matter that falls within his jurisdiction.

When a batter has been given Not out, either umpire may answer an appeal, made in accordance with clause 31.3, if it is on a further matter and is within his jurisdiction.

Playing Conditions for Men's 50 Over Matches

31.6 Consultation by umpires

Each umpire shall answer appeals on matters within his own jurisdiction. If an umpire is doubtful about any point that the other umpire may have been in a better position to see, he/she shall consult the latter on this point of fact and shall then give the decision. If, after consultation, there is still doubt remaining, the decision shall be Not out.

31.7 Batter leaving the wicket under a misapprehension

An umpire shall intervene if satisfied that a batter, not having been given out, has left the wicket under a misapprehension of being out. The umpire intervening shall call and signal Dead ball to prevent any further action by the fielding side and shall recall the batter.

A batter may be recalled at any time up to the instant when the ball comes into play for the next delivery, unless it is the final wicket of the innings, in which case it should be up to the instant when the umpires leave the field.

31.8 Withdrawal of an appeal

The captain of the fielding side may withdraw an appeal only after obtaining the consent of the umpire within whose jurisdiction the appeal falls. If such consent is given, the umpire concerned shall, if applicable, revoke the decision and recall the batter.

The withdrawal of an appeal must be before the instant when the ball comes into play for the next delivery or, if the innings has been completed, the instant when the umpires leave the field.

32 BOWLED

32.1 Out Bowled

32.1.1 The striker is out Bowled if his wicket is put down by a ball delivered by the bowler, not being a No ball, even if it first touches the striker's bat or person.

32.1.2 However, the striker shall not be out Bowled if before striking the wicket the ball has been in contact with any other player or an umpire. The striker will, however, be subject to clauses 37 (Obstructing the field), 38 (Run out) and 39 (Stumped).

32.2 Bowled to take precedence

The striker is out Bowled if his wicket is put down as in clause 32.1, even though a decision against him for any other method of dismissal would be justified

33 CAUGHT

33.1 Out Caught

The striker is out Caught if a ball delivered by the bowler, not being a No ball, touches his bat without having previously been in contact with any fielder, and is subsequently held by a fielder as a fair catch, as described in clauses 33.2 and 33.3, before it touches the ground.

Upon catch dismissal, irrespective of whether the batter have crossed or not, the incoming batter will take strike. (Except if it is last ball of the over).

Playing Conditions for Men's 50 Over Matches

33.2 A fair catch

33.2.1 A catch will be fair only if, in every case

either the ball, at any time

or any fielder in contact with the ball,

is not grounded beyond the boundary before the catch is completed. Note clauses 19.4 (Ball grounded beyond the boundary) and 19.5 (Fielder grounded beyond the boundary).

33.2.2 Furthermore, a catch will be fair if any of the following conditions applies:

33.2.2.1 the ball is held in the hand or hands of a fielder, even if the hand holding the ball is touching the ground, or is hugged to the body, or lodges in the external protective equipment worn by a fielder, or lodges accidentally in a fielder's clothing.

33.2.2.2 a fielder catches the ball after it has been lawfully struck more than once by the striker, but only if it has not been grounded since it was first struck. See clause 34 (Hit the ball twice).

33.2.2.3 a fielder catches the ball after it has touched the wicket, an umpire, another fielder or the other batter.

33.2.2.4 a fielder catches the ball after it has crossed the boundary in the air, provided that the conditions in clause 33.2.1 are met.

33.2.2.5 the ball is caught off an obstruction within the boundary that is not designated a boundary by the umpires.

33.3 Making a catch

The act of making a catch shall start from the time when the ball first comes into contact with a fielder's person and shall end when a fielder obtains complete control over both the ball and his own movement.

33.4 No runs to be scored

If the striker is dismissed Caught, runs from that delivery completed by the batters before the completion of the catch shall not be scored but any runs for penalties awarded to either side shall stand. Clause 18.12 (Batter returning to wicket he/she has left) shall apply from the instant of the completion of the catch.

33.5 Caught to take precedence

If the criteria of clause 33.1 are met and the striker is not out Bowled, then he is out Caught, even though a decision against either batter for another method of dismissal would be justified.

Playing Conditions for Men's 50 Over Matches

34 HIT THE BALL TWICE

34.1 Out Hit the ball twice

- 34.1.1 The striker is out Hit the ball twice if, while the ball is in play, it strikes any part of his person or is struck by his bat and, before the ball has been touched by a fielder, the striker wilfully strikes it again with his bat or person, other than a hand not holding the bat, except for the sole purpose of guarding his wicket. See clause 34.3 and clause 37 (Obstructing the field).
- 34.1.2 For the purpose of this clause 'struck' or 'strike' shall include contact with the person of the striker.
- 34.1.3 This clause will apply whether or not No ball is called.

34.2 Not out Hit the ball twice

The striker will not be out under this clause if he:

- 34.2.1 strikes the ball a second or subsequent time in order to return the ball to any fielder. Note, however, the provisions of clause 37.4 (Returning the ball to a fielder).
- 34.2.2 wilfully strikes the ball after it has touched a fielder. Note, however the provisions of clause 37.1 (Out Obstructing the field).

34.3 Ball lawfully struck more than once

The striker may, solely in order to guard his wicket and before the ball has been touched by a fielder, lawfully strike the ball a second or subsequent time with the bat, or with any part of his person other than a hand not holding the bat.

The striker may guard his wicket even if the delivery is a No ball.

However, the striker may not prevent the ball from being caught by striking the ball more than once in defence of his wicket. See clause 37.3 (Obstructing a ball from being caught).

34.4 Runs permitted from ball lawfully struck more than once

When the ball is lawfully struck more than once, as permitted in clause 34.3, if the ball does not become dead for any reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run. However, the umpire shall delay the call of Dead ball to allow the opportunity for a catch to be completed.

The umpire shall

- disallow all runs to the batting side;
- return any not out batter to his original end;
- signal No ball to the scorers if applicable; and
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

34.5 Bowler does not get credit

The bowler does not get credit for the wicket.

35 HIT WICKET

35.1 Out Hit wicket

35.1.1 The striker is out Hit wicket if, after the bowler has entered the delivery stride and while the ball is in play, his wicket is put down by either the striker's bat or person as described in clauses 29.1.1.2 to 29.1.1.4 (Wicket put down) in any of the following circumstances:

- 35.1.1.1 in the course of any action taken by him in preparing to receive or in receiving a delivery,
- 35.1.1.2 in setting off for the first run immediately after playing or playing at the ball,
- 35.1.1.3 if no attempt is made to play the ball, in setting off for the first run, providing that in the opinion of the umpire this is immediately after the striker has had the opportunity of playing the ball,
- 35.1.1.4 in lawfully making a second or further stroke for the purpose of guarding his wicket within the provisions of clause 34.3 (Ball lawfully struck more than once).

35.1.2 If the striker puts his wicket down in any of the ways described in clauses 29.2.1.2 to 29.2.1.4 before the bowler has entered the delivery stride, either umpire shall call and signal Dead ball.

35.2 Not out Hit wicket

The striker is not out under this clause should his wicket be put down in any of the ways referred to in clause 35.1 if any of the following applies:

- it occurs after the striker has completed any action in receiving the delivery, other than in clauses 35.1.1.2 to 35.1.1.4.
- it occurs when the striker is in the act of running, other than setting off immediately for the first run.
- it occurs when the striker is trying to avoid being run out or stumped.
- it occurs when the striker is trying to avoid a throw in at any time.
- the bowler after entering the delivery stride does not deliver the ball. In this case either umpire shall immediately call and signal Dead ball. See clause 20.4 (Umpire calling and signalling Dead ball).
- the delivery is a No ball.

35.3 Runs scored

No runs shall be scored when the striker is dismissed Hit wicket other than the one run penalty for a wide and any award of 5 penalty runs.

Playing Conditions for Men's 50 Over Matches

36 LEG BEFORE WICKET

36.1 Out LBW

The striker is out LBW if all the circumstances set out in clauses 36.1.1 to 36.1.5 apply:

- 36.1.1 The bowler delivers a ball, not being a No ball
- 36.1.2 the ball, if it is not intercepted full-pitch, pitches in line between wicket and wicket or on the off side of the striker's wicket
- 36.1.3 the ball not having previously touched his bat, the striker intercepts the ball, either full-pitch or after pitching, with any part of his person
- 36.1.4 the point of impact, even if above the level of the bails,
 - either is between wicket and wicket
 - or if the striker has made no genuine attempt to play the ball with the bat, is between wicket and wicket or outside the line of the off stump.
- 36.1.5 but for the interception, the ball would have hit the wicket.

36.2 Interception of the ball

- 36.2.1 In assessing points of impact in clauses 36.1.3, 36.1.4 and 36.1.5, only the first interception is to be considered.
- 36.2.2 In assessing 36.1.3, if the bowler's end umpire is not satisfied that the ball intercepted the batter's person before it touched the bat, the batter shall be given Not out.
- 36.2.3 In assessing clause 36.1.5, it is to be assumed that the path of the ball before interception would have continued after interception, irrespective of whether the ball might have pitched subsequently or not.

36.3 Off side of wicket

The off side of the striker's wicket shall be determined by the striker's stance at the moment the ball comes into play for that delivery. See paragraph 13 of Appendix A.

37 OBSTRUCTING THE FIELD

37.1 Out Obstructing the field

- 37.1.1 Either batter is out Obstructing the field if, except in the circumstances of clause 37.2, and while the ball is in play, he wilfully attempts to obstruct or distract the fielding side by word or action. See also clause 34 (Hit the ball twice).
- 37.1.2 The striker is out Obstructing the field if, except in the circumstances of clause 37.2, in the act of receiving a ball delivered by the bowler, he wilfully strikes the ball with a hand not holding the bat. This will apply whether it is the first strike or a second or subsequent strike. The act of receiving the ball shall extend both to playing at the ball and to striking the ball more than once in defence of his wicket.

Playing Conditions for Men's 50 Over Matches

37.1.3 This clause will apply whether or not No ball is called.

37.1.4 For the avoidance of doubt, if an umpire feels that a batter, in running between the wickets, has significantly changed his direction without probable cause and thereby obstructed a fielder's attempt to effect a run out, the batter should, on appeal, be given out, obstructing the field. It shall not be relevant whether a run out would have occurred or not.

If the change of direction involves the batter crossing the pitch, clause 41.14 shall also apply.

37.2 Not out Obstructing the field

A batter shall not be out Obstructing the field if

obstruction or distraction is accidental, or

obstruction is in order to avoid injury, or

in the case of the striker, he makes a second or subsequent strike to guard his wicket lawfully as in clause 34.3 (Ball lawfully struck more than once). However, see clause 37.3.

37.3 Obstructing a ball from being caught

37.3.1 If the delivery is not a No ball, the striker is out Obstructing the field if wilful obstruction or distraction by either batter prevents the striker being out Caught.

37.3.2 Clause 37.3.1 shall apply even if an obstruction is caused by the striker in lawfully guarding his wicket under the provision of Clause 34.3 (Ball lawfully struck more than once).

37.3.3 If an obstruction or distraction takes place from a No ball then the batter who caused the obstruction or distraction will be out Obstructing the field.

37.3.4 37.3.3 shall not apply if the striker obstructs while instinctively defending his wicket with a lawful second strike.

37.4 Returning the ball to a fielder

Either batter is out Obstructing the field if, at any time while the ball is in play and, without the consent of a fielder, he uses the bat or any part of his person to return the ball to any fielder.

37.5 Runs scored

When either batter is dismissed Obstructing the field,

37.5.1 unless the obstruction prevents a catch from being made, any runs completed by the batters before the offence shall be scored, together with any runs awarded for penalties to either side. See clauses 18.6 (Runs awarded for penalties) and 18.8 (Runs scored when a batter is dismissed).

37.5.2 if the obstruction prevents a catch from being made, any runs completed by the batters shall not be scored but any penalties awarded to either side shall stand.

Playing Conditions for Men's 50 Over Matches

37.6 Bowler does not get credit

The bowler does not get credit for the wicket.

38 RUN OUT

38.1 Out Run out

Either batter is out Run out, except as in clause 38.2, if, at any time while the ball is in play, he is out of his ground

and his wicket is fairly put down by the action of a fielder or

the ball rebounding off a fielder's person

even though No ball has been called, except in the circumstances of clause 38.2.2.2, and whether or not a run is being attempted.

38.2 Batter not out Run out

38.2.1 A batter is not out Run out in the circumstances of clauses 38.2.1.1 or 38.2.1.

38.2.1.1 He has been within his ground and has subsequently left it to avoid injury, when the wicket is put down. Note also the provisions of clause 30.1.2 (When out of his ground).

38.2.1.2 The ball, delivered by the bowler, has not made contact with a fielder before the wicket is put down.

38.2.2 The striker is not out Run out in any of the circumstances in clauses 38.2.2.1 and 38.2.2.2.

38.2.2.1 He is out Stumped. See clause 39.1.2 (Out Stumped).

38.2.2.2 No ball has been called

and he is out of his ground not attempting a run

and the wicket is fairly put down by the wicket-keeper without the intervention of another fielder.

38.3 Non-striker leaving his ground early

38.3.1 If the non-striker is out of his/her ground at any time from the moment the ball comes into play until the instant when the bowler would normally have been expected to release the ball, the non-striker is liable to be Run out by the bowler attempting to run him/her out. In these circumstances, the non-striker will be out Run out if he/she is out of his/her ground when his/her wicket is broken by the bowler throwing the ball at the wicket or by the bowler's hand holding the ball, whether or not the ball is subsequently delivered.

38.3.1.1 The instant when the bowler would normally have been expected to release the ball is defined as the moment the bowler's arm reaches the highest point of his/her normal bowling action in the delivery swing.

Playing Conditions for Men's 50 Over Matches

38.3.1.2 Even if the non-striker had left his/her ground before the instant at which the bowler would normally have been expected to release the ball, once the bowler has reached that point it is no longer possible for the bowler to run out the non-striker under this Law

38.3.2 If the ball is not delivered,

- if there is an appeal, the umpire shall make his/her decision on the Run out.
- if there is no appeal, or if the decision is not out, he/she shall call and signal Dead ball as soon as possible.
- the ball shall not count as one in the over.

38.3.3 If the ball is delivered and there is an appeal,

- the umpire shall make his/her decision on the Run out.
- if the non-striker is not dismissed, the ball remains in play and Law 21.6 (Bowler breaking wicket in delivering ball) shall apply.
- if the non-striker is dismissed, the ball shall not count as one in the over.

38.4 Which batter is out

The batter out in the circumstances of clause 38.1 is the one whose ground is at the end where the wicket is put down. See clause 30.2 (Which is a batter's ground).

38.5 Runs scored

If either batter is dismissed Run out, the run in progress when the wicket is put down shall not be scored, but any runs completed by the batters shall stand, together with any runs for penalties awarded to either side. See clauses 18.6 (Runs awarded for penalties) and 18.8 (Runs scored when a batter is dismissed).

38.6 Bowler does not get credit

The bowler does not get credit for the wicket.

39 STUMPED

39.1 Out Stumped

39.1.1 The striker is out Stumped, except as in clause 39.3, if:

- a ball which is delivered is not called No ball
- and he is out of his ground, other than as in clause 39.3.1
- and he has not attempted a run

when his wicket is fairly put down by the wicket-keeper without the intervention of another fielder. Note, however clause 27.3 (Position of wicket-keeper).

39.1.2 The striker is out Stumped if all the conditions of clause 39.1.1 are satisfied, even though a decision of Run out would be justified.

39.2 Ball rebounding from wicket-keeper's person

Playing Conditions for Men's 50 Over Matches

If the wicket is put down by the ball, it shall be regarded as having been put down by the wicket-keeper if the ball rebounds on to the stumps from any part of the wicket-keeper's person or equipment or has been kicked or thrown on to the stumps by the wicket-keeper.

39.2 Not out Stumped

39.3.1 The striker will not be out Stumped if, after having received the delivery, he has left his ground in order to avoid injury.

39.3.2 If the striker is not out Stumped he may, except in the circumstances of 38.2.2.2 (Batter not out Run out), be out Run out if the conditions of clause 38.1 (Out Run out) apply.

39.4 Runs scored

When a striker is dismissed Stumped from a wide ball, the one-run penalty shall stand. Note clause 21.9 (Conclusion of match), 16.6 (Winning hit or extras) and 22.2 (Call and signal of Wide ball) mean that if the penalty for a Wide concludes the match then a stumping is not possible, but the one-run penalty for the Wide remains.

40 TIMED OUT

40.1 Out Timed out

40.1.1 After the fall of a wicket or the retirement of a batter, the incoming batter must, unless Time has been called, be ready to receive the ball or for the other batter to be ready to receive the next ball within 2 minutes of the dismissal or retirement. If this requirement is not met, the incoming batter will be out, Timed out.

40.1.2 In the event of an extended delay in which no batter comes to the wicket, the umpires shall adopt the procedure of clause 16.2 (Umpires/Match Referee awarding a match). For the purposes of that clause the start of the action shall be taken as the expiry of the 2 minutes referred to above.

40.2 Bowler does not get credit

The bowler does not get credit for the wicket.

41 UNFAIR PLAY

41.1 Fair and unfair play – responsibility of captains

The captains are responsible for ensuring that play is conducted within the Spirit of Cricket, as well as within these Playing Conditions.

41.2 Fair and unfair play – responsibility of umpires

41.2.1 The umpires shall be the sole judges of fair and unfair play. If an umpire considers that any action by a player, not covered in the Laws, is unfair, he/she shall call and signal Dead ball, if appropriate, as soon as it becomes clear that the call will not disadvantage the non-offending side, and report the matter to the other umpire.

41.2.1.1 If this is a first offence by that side, the bowler's end umpire shall then

Playing Conditions for Men's 50 Over Matches

- summon the offending player's captain and issue a first and final warning which shall apply to all members of the team for the remainder of the match.
- warn the offending player's captain that any further such offence by any member of his team shall result in the award of 5 Penalty runs to the opposing team.

41.2.1.2 If this is a second or subsequent offence by that side, the bowler's end umpire shall then

- summon the offending player's captain and inform him/her that there has been a further such offence.
- award 5 Penalty runs to the opposing side

41.2.1.3 The umpires together may report the incident to the Match Referee/TDCA, who shall take such action as is considered appropriate against the captain, any other individuals concerned and, if appropriate, the team.

41.3 The match ball – changing its condition

41.3.1 The umpires shall make frequent and irregular inspections of the ball. In addition, they shall immediately inspect the ball if they suspect anyone of attempting to change the condition of the ball, except as permitted in clause 41.3.2.

41.3.2 It is an offence for any player to take any action which changes the condition of the ball.

Except in carrying out his normal duties, a batter is not allowed to wilfully damage the ball other than, when the ball is in play, in striking it with the bat. See also clause

5.5 (Damage to the ball). A fielder may, however:

41.3.2.1 polish the ball on his clothing provided that no artificial substance or saliva is used, that the only natural substance used is sweat, and that such polishing wastes no time.

41.3.2.2 remove mud from the ball under the supervision of an umpire.

41.3.2.3 dry a wet ball on a piece of cloth that has been approved by the umpires.

41.3.3 The umpires shall consider the condition of the ball to have been unfairly changed if any action by any player does not comply with the conditions in clause 41.3.2.

41.3.4 If the umpires together agree that the condition of the ball has been unfairly changed by a member or members of either side, or that its condition is inconsistent with the use it has received, they shall consider that there has been a contravention of this clause and decide together whether they can identify the player(s) responsible for such conduct.

41.3.5 If it is possible to identify the player(s) responsible for changing the condition of the ball, the umpires shall:

41.3.5.1 Change the ball forthwith.

41.3.5.1.1 If the umpires together agree that the condition of the ball has been unfairly changed by a member or members of the fielding side, the batter at the wicket shall choose the replacement ball from a selection of six other balls of various degrees of usage (including a new ball) and of the same brand as the ball in use prior to the contravention.

41.3.5.1.2 If the umpires together agree that the condition of the ball has been unfairly

Playing Conditions for Men's 50 Over Matches

changed by a member or members of the batting side, the umpires shall select and bring into use immediately, a ball which shall have wear comparable to that of the previous ball immediately prior to the contravention.

- 41.3.5.2 Additionally, the bowler's end umpire shall:
- 41.3.5.2.1 award 5 Penalty runs to the opposing side
 - 41.3.5.2.2 if appropriate, inform the batters at the wicket and the captain of the fielding side that the ball has been changed and the reason for their action
 - 41.3.5.2.3 inform the captain of the batting side as soon as practicable of what has occurred.
- 41.3.5.3 The umpires shall then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the player(s) concerned
- 41.3.6 If it is not possible to identify the player(s) responsible for changing the condition of the ball, the umpires shall:
- 41.3.6.1 Change the ball forthwith. The umpires shall choose the replacement ball for one of similar wear and of the same brand as the ball in use prior to the contravention.
 - 41.3.6.2 The bowler's end umpire shall issue the captain with a first and final warning, and
 - 41.3.6.3 Advise the captain that should there be any further instances of changing the condition of the ball by that team during the remainder of the match, clause 41.3.5.1.2 above will be adopted, with the captain deemed to be the player responsible for the contravention.
- 41.3.7 **Use of saliva on the match ball**
- If the umpires believe that saliva has been applied to the ball, the umpire shall**
- 41.3.7.1 **If it is a first instance during an innings, summon the captain of the fielding side and issue the first and final warning.**
 - 41.3.7.2 **If it is the second or subsequent instance, award 5 penalty runs to the opposing side.**
 - 41.3.7.3 **The ball shall not be changed but the umpires shall wipe the ball with disinfectant wipes.**

41.4 Deliberate attempt to distract striker

- 41.4.1 It is unfair for any fielder deliberately to attempt to distract the striker while he is preparing to receive or receiving a delivery.
- 41.4.1 If either umpire considers that any action by a fielder is such an attempt, he/she shall immediately call and signal Dead ball and inform the other umpire of the reason for the call. The bowler's end umpire shall
- award 5 Penalty runs to the batting side.

Playing Conditions for Men's 50 Over Matches

- inform the captain of the fielding side, the batters and, as soon as practicable, the captain of the batting side of the reason for the action.

Neither batter shall be dismissed from that delivery and the ball shall not count as one of the over. However, if either umpire had reason to call and signal No ball, he/she shall do so regardless of the attempt to distract and this call shall stand.

The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the fielder concerned.

41.5 Deliberate distraction, deception or obstruction of batter

- 41.5.1 In addition to clause 41.4, it is unfair for any fielder wilfully to attempt, by word or action, to distract, deceive or obstruct either batter after the striker has received the ball.
- 41.5.2 It is for either one of the umpires to decide whether any distraction, deception or obstruction is wilful or not.
- 41.5.3 If either umpire considers that a fielder has caused or attempted to cause such a distraction, deception or obstruction, he/she shall immediately call and signal Dead ball and inform the other umpire of the reason for the call.
- 41.5.4 Neither batter shall be dismissed from that delivery.
- 41.5.5 If an obstruction involves physical contact, the umpires together shall decide whether or not an offence under clause 42 (Players' conduct) has been committed.
- 41.5.5.1 If an offence under clause 42 (Players' conduct) has been committed, they shall apply the relevant procedures in clause 42 and shall also apply each of clauses 41.5.6 to 41.5.10.
- 41.5.5.2 If they consider that there has been no offence under clause 42 (Players' conduct), they shall apply each of clauses 41.5.6 to 41.5.10.
- 41.5.6 The bowler's end umpire shall;
- Signal No ball or Wide to the scorers, if applicable
 - award 5 Penalty runs to the batting side.
 - inform the captain of the fielding side of the reason for this action and as soon as practicable inform the captain of the batting side.
- 41.5.7 The ball shall not count as one of the over.
- 41.5.8 Any runs completed by the batters before the offence shall be scored, together with any runs for penalties awarded to either side. Additionally, the run in progress shall be scored whether or not the batters had already crossed at the instant of the offence.
- 41.5.9 The batters at the wicket shall decide which of them is to face the next delivery.
- 41.5.10 The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the fielder concerned.

Playing Conditions for Men's 50 Over Matches

41.6 Bowling of dangerous and unfair short pitched deliveries

41.6.1 Notwithstanding clause 41.6.2, the bowling of short pitched deliveries is dangerous if the bowler's end umpire considers that, taking into consideration the skill of the striker, by their speed, length, height and direction they are likely to inflict physical injury on him. The fact that the striker is wearing protective equipment shall be disregarded.

In the first instance the umpire decides that the bowling of short pitched deliveries has become dangerous under 41.6.1:

41.6.1.1 The umpire shall call and signal No ball, and when the ball is dead, caution the bowler and inform the other umpire, the captain of the fielding side and the batters of what has occurred. This caution shall apply to that bowler throughout the innings.

41.6.1.2 If there is a second instance, the umpire shall repeat the above procedure and indicate to the bowler that this is a final warning, which shall apply to that bowler throughout the innings.

41.6.1.3 Should there be any further instance by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- The umpire may report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.

The umpires shall then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

41.6.1.4 A bowler shall be limited to two fast short-pitched deliveries per over.

41.6.1.5 A fast short-pitched delivery is defined as a ball, which passes or would have passed above the shoulder height of the striker standing upright at the popping crease.

41.6.1.6 The umpire at the bowler's end shall advise the bowler and the batter on strike when each fast short pitched delivery has been bowled.

41.6.1.7 In addition, a ball that passes above head height of the batter, standing upright at the popping crease, that prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called a Wide. See also clause 22.1.1.2

41.6.1.7.1 For the avoidance of doubt any fast short pitched delivery that is called a Wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.

Playing Conditions for Men's 50 Over Matches

- 41.6.1.8 In the event of a bowler bowling more than two fast short-pitched deliveries in an over as defined in clause 41.6.3 above, the umpire at the bowler's end shall call and signal No ball on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall call and signal 'No ball' and then tap the head with the other hand.
- 41.6.1.9 If a bowler delivers a third fast short pitched ball in an over, the umpire, after the call of No ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batters at the wicket of what has occurred. This caution shall apply throughout the innings.
- 41.6.1.10 If there is a second instance of the bowler being No balled in the innings for bowling more than two fast short pitched deliveries in an over, the umpire shall advise the bowler that this is his final warning for the innings
- 41.6.1.11 Should there be any further instance by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- The umpire shall report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.

The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

- 41.6.2 Should the umpires initiate the caution and warning procedures set out in clauses 41.6.1.3, 41.6.1.9, and 41.7, such cautions and warnings are not to be cumulative.

41.7 Bowling of dangerous and unfair non-pitching deliveries

- 41.7.1 Any delivery, which passes or would have passed, without pitching, above waist height of the striker standing upright at the popping crease, is to be deemed to be unfair, whether or not it is likely to inflict physical injury on the striker. If the bowler bowls such a delivery the umpire shall immediately call and signal No ball.

If, in the opinion of the umpire, such a delivery is considered likely to inflict physical injury on the batter by its speed and direction, it shall be considered dangerous. When the ball is dead the umpire shall caution the bowler, indicating that this is a first and final warning. The umpire shall also inform the other umpire, the captain of the fielding side and the batters of what has occurred. This caution shall apply to that bowler throughout the innings.

Playing Conditions for Men's 50 Over Matches

41.7.2 Should there be any further instance (where a dangerous non-pitching delivery is bowled and is considered likely to inflict physical injury on the batter) by the same bowler in that innings, the umpire shall:

- call and signal No ball
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling
- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

Additionally the umpire shall

- report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.

The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

41.7.3 The warning sequence in clauses 41.7.1 and 41.7.2 is independent of the warning and action sequence in clause 41.6.

41.7.4 If the umpire considers that a bowler deliberately bowled a high full-pitched delivery, deemed to be dangerous and unfair as defined in clause 41.7.1, then the caution and warning in clause 41.7.1 shall be dispensed with. The umpire shall

- immediately call and signal No ball.
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling and inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- report the occurrence to the batters and, as soon as practicable, to the captain of the batting side.

The umpires together shall report the occurrence to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

41.8 Bowling of deliberate front-foot No ball

If the umpire considers that the bowler has delivered a deliberate front-foot No ball, he/she shall:

- immediately call and signal No ball.
- when the ball is dead, direct the captain of the fielding side to suspend the bowler immediately from bowling

Playing Conditions for Men's 50 Over Matches

- inform the other umpire for the reason for this action.

The bowler thus suspended shall not be allowed to bowl again in that innings.

If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over.

- report the occurrence to the batters and, as soon as practicable, to the captain of the batting side

The umpires together shall report the occurrence to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

41.9 Time wasting by the fielding side

41.9.1 It is unfair for any fielder to waste time.

41.9.2 If either umpire considers that the progress of an over is unnecessarily slow, or time is being wasted in any other way, by the captain of the fielding side or by any other fielder, at the first instance the umpire concerned shall:

- if the ball is in play, call and signal Dead ball.
- inform the other umpire of what has occurred.

The bowler's end umpire shall then:

- warn the captain of the fielding side, indicating that this is a first and final warning.
- inform the batters of what has occurred.

41.9.3 If either umpire considers that there is any further waste of time in that innings by any fielder, the umpire concerned shall:

- if the ball is in play, call and signal Dead ball.
- inform the other umpire of what has occurred.

The bowler's end umpire shall then award 5 Penalty runs to the batting side and inform the captain of the fielding side of the reason for this action.

Additionally, the umpire shall inform the batters and, as soon as is practicable, the captain of the batting side of what has occurred.

If the umpires believe that the act of time-wasting was deemed to be deliberate or repetitious, they may lodge a report to the Match Referee/TDCA under the TDCA code of conduct. In such circumstances, the Captain and/or any individual members of the fielding team responsible for the time wasting will be charged.

41.10 Batter wasting time

41.10.1 It is unfair for a batter to waste time. In normal circumstances, the striker should always be ready to take strike when the bowler is ready to start his run-up.

In addition, an incoming batter should be in position to take guard or his partner ready to receive the next ball within 2 minutes of the fall of the previous wicket.

Playing Conditions for Men's 50 Over Matches

- 41.10.2 Should either batter waste time by failing to meet this requirement, or in any other way, the following procedure shall be adopted. At the first instance, either before the bowler starts his run-up or when the ball becomes dead, as appropriate, the umpire shall
- warn both batters and indicate that this is a first and final warning. This warning shall apply throughout the innings. The umpire shall so inform each incoming batter.
 - inform the other umpire of what has occurred.
 - inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.
- 41.10.3 If there is any further time wasting by any batter in that innings, the umpire shall, at the appropriate time while the ball is dead
- award 5 Penalty runs to the fielding side.
 - inform the other umpire of the reason for this action.
 - inform the other batter, the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

If the umpires believe that the act of time-wasting was deemed to be deliberate or repetitious, they may lodge a report to the Match Referee/TDCA under the TDCA code of conduct. In such circumstances, the batter concerned will be charged.

41.11 The protected area

The protected area is defined as that area of the pitch contained within a rectangle bounded at each end by imaginary lines parallel to the popping creases and 5 ft/1.52 m in front of each, and on the sides by imaginary lines, one each side of the imaginary line joining the centres of the two middle stumps, each parallel to it and 1 ft/30.48 cm from it.

41.12 Fielder damaging the pitch

- 41.12.1 It is unfair to cause deliberate or avoidable damage to the pitch. A fielder will be deemed to be causing avoidable damage if either umpire considers that his presence on the pitch is without reasonable cause.
- 41.12.2 If a fielder causes avoidable damage to the pitch, other than as in clause 41.13.1, at the first instance the umpire seeing the contravention shall, when the ball is dead, inform the other umpire. The bowler's end umpire shall then
- caution the captain of the fielding side and indicate that this is a first and final warning. This warning shall apply throughout the innings.
 - inform the batters of what has occurred.
- 41.12.3 If, in that innings, there is any further instance of avoidable damage to the pitch, by any fielder, the umpire seeing the contravention shall, when the ball is dead, inform the other umpire. The bowler's end umpire shall then
- award 5 Penalty runs to the batting side.
- Additionally the umpire shall

Playing Conditions for Men's 50 Over Matches

- inform the fielding captain of the reason for this action.
- inform the batters and, as soon as practicable, the captain of the batting side of what has occurred.

The umpires together shall report the occurrence to the Match Referee/TDCA who shall take such action as is considered appropriate against the fielder concerned.

41.13 Bowler running on protected area

- 41.13.1 It is unfair for a bowler to enter the protected area in his follow-through without reasonable cause, whether or not the ball is delivered.
- 41.13.2 If a bowler contravenes this clause, at the first instance and when the ball is dead, the umpire shall
- caution the bowler and inform the other umpire of what has occurred. This caution shall apply to that bowler throughout the innings.
 - inform the captain of the fielding side and the batters of what has occurred.
- 41.13.3 If, in that innings, the same bowler again contravenes this clause, the umpire shall repeat the above procedure indicating that this is a final warning. This warning shall also apply throughout the innings.
- 41.13.4 If, in that innings, the same bowler contravenes this clause a third time, when the ball is dead, the umpire shall,
- direct the captain of the fielding side to suspend the bowler immediately from bowling. If applicable, the over shall be completed by another bowler, who shall neither have bowled any part of the previous over, nor be allowed to bowl any part of the next over. The bowler taken off shall not be allowed to bowl again in that innings.
 - inform the other umpire of the reason for this action.
 - inform the batters and, as soon as practicable, the captain of the batting side of what has occurred.
- The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the bowler concerned.

41.14 Batter damaging the pitch

- 41.14.1 It is unfair to cause deliberate or avoidable damage to the pitch. If the striker enters the protected area in playing or playing at the ball, he must move from it immediately thereafter. A batter will be deemed to be causing avoidable damage if either umpire considers that his presence on the pitch is without reasonable cause.
- 41.14.2 If either batter causes deliberate or avoidable damage to the pitch, other than as in clause 41.15, at the first instance the umpire seeing the contravention shall, when the ball is dead, inform the other umpire of the occurrence. The bowler's end umpire shall then

Playing Conditions for Men's 50 Over Matches

- warn both batters that the practice is unfair and indicate that this is a first and final warning.

This warning shall apply throughout the innings. The umpire shall so inform each incoming batter.

- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred.

41.14.3 If there is any further instance of avoidable damage to the pitch by any batter in that innings, the umpire seeing the contravention shall, when the ball is dead, inform the other umpire of the occurrence.

The bowler's end umpire shall

- disallow all runs to the batting side
- return any not out batter to his original end
- signal No ball or Wide to the scorers if applicable.
- award 5 Penalty runs to the fielding side.
- award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).
- Inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of the reason for this action.

The umpires together shall report the occurrence to the Match Referee/TDCA who shall take such action as is considered appropriate against the batter concerned.

41.15 Striker in protected area

41.15.1 The striker shall not adopt a stance in the protected area or so close to it that frequent encroachment is inevitable.

The striker may mark a guard on the pitch provided that no mark is unreasonably close to the protected area.

41.15.2 If either umpire considers that the striker is in breach of any of the conditions in clause 41.15.1 if the bowler has not entered the delivery stride, he/she shall immediately call Dead ball, otherwise, wait until the ball is dead; he/she shall then inform the other umpire of the occurrence.

The bowler's end umpire shall then:

- warn the striker that the practice is unfair and indicate that this is a first and final warning. This warning shall apply throughout the innings. The umpire shall so inform the non- striker and each incoming batter.
- inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of what has occurred

Playing Conditions for Men's 50 Over Matches

41.15.3 If there is any further breach of any of the conditions in clause 41.15.1 by any batter in that innings, the umpire seeing the contravention shall, if the bowler has not entered his delivery stride, immediately call and signal Dead ball, otherwise, he/she shall wait until the ball is dead and then inform the other umpire of the occurrence. The bowler's end umpire shall

- disallow all runs to the batting side
- return any not out batter to his original end
- signal No ball or Wide to the scorers if applicable.
- award 5 Penalty runs to the fielding side.
- award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

The umpires together shall report the occurrence to the Match Referee/TDCA who shall take such action as is considered appropriate against the batter concerned.

41.16 Batters stealing a run

41.16.1 It is unfair for the batters to attempt to steal a run during the bowler's run-up.

Unless the bowler attempts to run out either batter – see clauses 38.3 (Non-striker leaving his/her ground early) – the umpire shall

- call and signal Dead ball as soon as the batters cross in such an attempt.
- inform the other umpire of the reason for this action.

The bowler's end umpire shall then

- return the batters to their original ends.
- award 5 Penalty runs to the fielding side.
- inform the batters, the captain of the fielding side and, as soon as practicable, the captain of the batting side, of the reason for this action.

The umpires may then report the matter to the Match Referee/TDCA who shall take such action as is considered appropriate against the batter concerned.

41.17 Penalty runs

41.17.1 When Penalty runs are awarded to either side, when the ball is dead the umpire shall signal the Penalty runs to the scorers. See clause 2.13 (Signals).

41.17.2 Penalty runs shall be awarded in each case where these Playing Conditions require the award, even if a result has already been achieved. See clause 16.6 (Winning hit or extras).

Playing Conditions for Men's 50 Over Matches

Note, however, that the restrictions on awarding Penalty runs, in clauses 23.3 (Leg byes not to be awarded), 34.4 (Runs scored from ball lawfully struck more than once) and 28.3 (Protective helmets belonging to the fielding side), will apply.

41.17.3 When 5 Penalty runs are awarded to the batting side under any of clauses 24.4 (Player returning without permission), 28.2 (Fielding the ball), 28.3 (Protective helmets belonging to the fielding side) or under 41.3, 41.4, 41.5, 41.9 or 41.12, then

- they shall be scored as Penalty extras and shall be in addition to any other penalties.
- they are awarded when the ball is dead and shall not be regarded as runs scored from either the immediately preceding delivery or the immediately following delivery, and shall be in addition to any runs from those deliveries.
- the batters shall not change ends solely by reason of the 5 run penalty.

41.17.4 When 5 Penalty runs are awarded to the fielding side, under clause 18.5.2 (Deliberate short runs), or under 41.10, 41.14, 41.15 or 41.17, they shall be added as Penalty extras to that side's total of runs in its most recently completed innings. If the fielding side has not completed an innings, the 5 Penalty runs shall be added to the score in its next innings.

41.17.5 In assessing penalty runs, both Umpires must record all of the details concerning the awarding of penalty runs and as soon as possible, file a report with TDCA

41.18 Use of Electronic Communications Equipment

The use of electronic communication devices and equipment of any kind to communicate with players on the field of play shall not be permitted. See Appendix E.

41.19 Default Penalties

If a team is in default for failing to have the pitch and ground prepared for any reason, including the field restriction markings and the start of the match is delayed, the following procedure will be observed. The team responsible for having the pitch and ground prepared has a 30-minute grace period from the scheduled start of the match to have it prepared. If it cannot be prepared by the end of this grace period, including having all of the field restriction markers, then the team will default the match.

In this situation, umpires shall not award the match to one team or the other. Umpires are required to submit a detailed report to TDCA, who shall take appropriate decisions.

41.20 Protective Helmets and equipment

41.20.1 A batter may only change an item of protective equipment (e.g. batting gloves, helmet etc.) at the fall of a wicket or the next interval unless the equipment is damaged or unserviceable and then only with the approval of umpires.

41.20.2 A batter may have the helmet taken off the field provided that the umpires do not consider that it amounts to waste of playing time.

41.20.3 Any player must wear a protective helmet with a faceguard or grille whilst batting when facing pace bowlers or if fielding close to the wicket.

Playing Conditions for Men's 50 Over Matches

- 41.20.4 Any wicket-keeper must wear a protective helmet with a faceguard or grille if keeping up. Captains are responsible for enforcing the regulations in 41.20.3 and 41.20.4.

41.21 Reports

- 41.21.1 Umpires are required to report in writing within 72 hours or, if necessary, during a match, any breach of these Playing Conditions or as required under the terms of Clause 41 & 42. Umpires must report any case of obvious dissent or misconduct, even though umpires have taken action under clause 42 and/or the player's captain may have taken effective action.
- 41.21.2 All reports shall be submitted in writing as soon as possible to the TDCA and TCU&SA.
- 41.21.3 In case of any disputes on results etc. - Umpires must leave the final decision making to the TDCA Board but provide recommended results to the Board based on the facts presented to the Board in the form of a detailed written report.

42 PLAYERS' CONDUCT

42.1 Unacceptable Conduct

- 42.1.1 The umpires shall act upon any unacceptable conduct. Four Levels of offence and the corresponding actions by the umpires are identified as Level 1, Level 2, Level 3 and Level 4 offences in 42.2 to 42.5.
- 42.1.2 If either umpire considers that the conduct of a player, at any time during the match, is unacceptable, the umpire concerned shall call and signal Dead ball. This call maybe delayed until the umpire is satisfied that it will not disadvantage the non-offendingside.
- 42.1.3 The umpire concerned shall report the matter to the other umpire and together they shall decide whether misconduct has occurred. If so, they shall determine into which of the Levels the conduct falls, as set out in 42.2 to 42.5 below, and then apply the related sanctions.
- 42.1.4 Any call of No ball or Wide before the offence shall stand.

42.2.2.1 The umpire shall call Time, if necessary.

42.2.2.2 Together the umpires shall summon and inform the offending player's captain that an offence at this Level has occurred.

42.2.2.3 If the Level 1 offence is the first offence, at any Level, by that team, the umpire shall

42.2.2.3.1 issue a first and final warning which shall apply to all members of the team for the remainder of the match.

42.2.2.3.2 warn the offending player's captain that any further Level 1 offence by any member of his/her team shall result in the award of 5 Penalty runs to the opposing team.

42.2.2.4 If the Level 1 offence follows an offence, at any Level, by that team, the umpire shall award 5 Penalty runs to the opposing team.

42.2.2.5 As soon as practicable the umpire shall call Play.

42.4.2.3.2 In a match where the innings are limited to a number of overs, the player shall be suspended for one fifth of the number of overs allocated to the current innings at its commencement. If, in calculating the length of the suspension, a part-over results, it shall be considered as a whole over. Any balls remaining in the over in progress at the time of suspension shall not count towards the overs for which the player is suspended.

42.4.2.3.3 If the offending player is a fielder, no substitute shall be allowed for him/her. The offending player may return to the field of play after serving the period of suspension and may bowl immediately.

42.4.2.3.4 If a bowler is suspended mid-over, then that over must be completed by a different bowler, who shall not have bowled the previous over nor shall he/she bowl the next over.

42.4.2.3.5 If the offending player is a member of the batting side, who has not been dismissed, he/she may bat or return to bat after having served the suspension, only at the fall of a wicket. 42.4.2.3.7 Warn the offending player's captain that any future Level 1 offence shall result in the award of 5 Penalty runs to the opposing team.

42.4.2.3.8 Any overs remaining to be served from a suspension shall be carried forward to the next and subsequent innings of the match. A part over at the end of the innings shall not count towards the overs for which the player is suspended.

42.4.2.4 As soon as practicable, the umpire shall

- signal the Level 3 offence to the scorers
- award 5 Penalty runs to the opposing team

Playing Conditions for Men's 50 Over Matches

42.2.2.3.3 If the offending player is a batter he is to be recorded as Retired – out in the current innings, unless he has been dismissed under any of clauses 32 to 39, and at the commencement of any subsequent innings in which his team is the batting side. If no further batter is available to bat, the innings is completed.

42.2.2.4 As soon as practicable, the umpire shall:

- award 5 Penalty runs to the opposing team
- signal the Level 4 penalty to the scorers

- call Play.

42.2.2.5 The umpires shall then report the matter to the Match Referee/TDCA under the TDCA Code of Conduct.

42.6.1 If a captain refuses to carry out an instruction under 42.2.2.3, the umpires shall invoke clause 16.2 (Umpires/Match Referee awarding a match).

42.6.2 If both captains refuse to carry out instructions under 42.2.2.3 in respect of the same incident, the umpires shall instruct the players to leave the field. The match is not concluded as in clause 12.6 and there shall be no result under clause 16.

42.7 Additional points relating to Level 4 offences

42.7.1 If a player, while acting as wicket-keeper, commits a Level 4 offence, clause 24.1.2 shall not apply, meaning that only a nominated player may keep wicket, even if another fielder becomes injured or ill and is replaced by a substitute.

42.7.2 A nominated player who has a substitute will also suffer the penalty for any Level 4 offence committed by the substitute. However, only the substitute will be reported under clause 42.2.2.5.

- 4.6 **In front of the line of the striker's wicket** is in the area of the field of play in front of the imaginary line joining the fronts of the stumps at the striker's end; this line to be considered extended in both directions to the boundary. See paragraph 4.2.
- 4.7 **Behind the wicket** is in the area of the field of play behind the imaginary line joining the backs of the stumps at the appropriate end; this line to be considered extended in both directions to the boundary. See paragraph 4.1.
- 4.8 **Behind the wicket-keeper** is behind the wicket at the striker's end, as defined above, but in line with both sets of stumps and further from the stumps than the wicket-keeper.
- 4.9 **Off side/on (leg) side** – see diagram in paragraph 13
- 4.10 **Inside edge** is the edge on the same side as the nearer wicket.

5 Umpires and decision-making

- 5.1 **Umpire** – where the description **the umpire** is used on its own, it always means 'the bowler's end umpire' though this full description is sometimes used for emphasis or clarity. Similarly, **the umpires** always means both umpires and the third umpire. **An umpire** and **umpires** are generalized terms. Otherwise, a fuller description indicates which one of the umpires is specifically intended. Each umpire will be bowler's end umpire and striker's end umpire in alternate overs.
- 5.2 **Bowler's end umpire** is the umpire who is standing at the bowler's end (see paragraph 4.4) for the current delivery.
- 5.3 **Striker's end umpire** is the umpire who is standing at the striker's end (see paragraph 4.3), to one side of the pitch or the other, depending on his/her choice, for the current delivery.
- 5.4 **On-field umpires** shall mean, collectively, the bowler's end umpire and the striker's end umpire.
- 5.5 **Umpires together agree** applies to decisions which the umpires are to make jointly, independently of the players.
- 5.6 A **Fair Catch** is a catch that has been taken cleanly by the fielder in accordance with clause 33.
- 5.7 A **Bump Ball** is where the ball has made contact with the ground shortly after making contact with the striker's bat.

6 Batters

- 6.1 **Batting side** is the side currently batting, whether or not play is in progress.
- 6.2 **Member of the batting side** is one of the players nominated by the captain of the batting side, or any authorized replacement for such nominated player.
- 6.3 **The Striker** is the batter who receives the ball delivered by the bowler.

Playing Conditions for Men's 50 Over Matches

- 6.4 **The non-striker** is the batter who ground is at the bowler's end when the ball is delivered
- 6.5 **A batter's ground** – at each end of the pitch, the whole area of the field of play behind the popping crease is the ground at that end for a batter.
- 6.6 **Original end** is the end where a batter was when the ball came into play for that delivery.
- 6.7 **Wicket he has left** is the wicket at the end where a batter was at the start of the run in progress.
- 6.8 **A batting position** is the position and posture adopted by the striker to receive a ball delivered by the bowler.
- 6.9 For the purposes of these Playing Conditions, **waist height** is defined as the point at which the top of the batter's trousers would conventionally be when he/she is standing upright at the popping crease.

7 Fielders

- 7.1 **Fielding side** is the side currently fielding, whether or not play is in progress.
- 7.2 **Member of the fielding side** is one of the players nominated by the captain of the fielding side, or any authorized replacement or substitute for such nominated player.
- 7.3 **Fielder** is one of the 11 or fewer players who together represent the fielding side on the field of play. This definition includes not only both the bowler and the wicket-keeper but also nominated players who are legitimately on the field of play, together with players legitimately acting as substitutes for absent nominated players. It excludes any nominated player who is absent from the field of play, or who has been absent from the field of play and who has not yet obtained the umpire's permission to return.

A player going briefly outside the boundary in the course of discharging his duties as a fielder is not absent from the field of play nor, for the purposes of clause 24.2 (Fielder absent or leaving the field of play), is he to be regarded as having left the field of play

8 Substitutes and Concussion Replacements

- 8.1 A **Substitute** is a player who takes the place of a fielder on the field of play, but does not replace the player for whom he substitutes on that side's list of nominated players. A substitute's activities are limited to fielding.
- 8.2 A Concussion Replacement is a player who takes the place of a player who has been replaced in accordance with the process set out in clause 1.2.10, and who for the remainder of the match replaces that player on that side's list of nominated players, being able to take a full part in the match (subject to such restrictions as may be imposed by the Umpires/ Match Referee in accordance with clause 1.2.10.4)
- 8.3 A Concussion Replacement Request is the notification made to the Umpires/Match Referee in accordance with the process set out in clause 1.2.10.1.3.

Playing Conditions for Men's 50 Over Matches

9 Bowlers

- 9.1 **Over the wicket / round the wicket** – If, as the bowler runs up between the wicket and the return crease, the wicket is on the same side as his bowling arm, he is bowling over the wicket. If the return crease is on the same side as his bowling arm, he is bowling round the wicket.
- 9.2 **Delivery swing** is the motion of the bowler's arm during which he normally releases the ball for a delivery.
- 9.3 **Delivery stride** is the stride during which the delivery swing is made, whether the ball is released or not. It starts when the bowler's back foot lands for that stride and ends when the front foot lands in the same stride. The stride after the delivery stride is completed when the next foot lands, i.e. when the back foot of the delivery stride lands again.
- 9.4 The **Illegal Bowling Regulations** are the TDCA's regulations governing Illegal Bowling Actions.
- 9.5 **Illegal Bowling Action** is a bowling action where a bowler's Elbow Extension exceeds 15 degrees, measured from the point at which the bowling arm reaches the horizontal until the point at which the ball is released (any Elbow Hyperextension shall be discounted for the purposes of determining an Illegal Bowling Action).
- 9.6 **Elbow Extension** means the motion that occurs when a bowler's arm moves from a flexed (bent) position at the elbow, to a more extended (straight) position (full Elbow Extension occurs when the arm is straight).
- 9.7 **Elbow Hyperextension** is the motion that occurs when a bowler's elbow extends beyond the straight position.

10 The ball

- 10.1 **The ball is struck/strikes the ball** unless specifically defined otherwise, mean 'the ball is struck by the bat'/'strikes the ball with the bat'.
- 10.2 **Rebounds directly/strikes directly** and similar phrases mean 'without contact with any fielder' but do not exclude contact with the ground.
- 10.3 **Full-pitch** describes a ball delivered by the bowler that reaches or passes the striker without having touched the ground. Sometimes described as non-pitching.

11 Runs

- 11.1 **A run to be disallowed** is one that in these Playing Conditions should not have been taken. It is not only to be cancelled but the batters are to be returned to their original ends.
- 11.2 **A run not to be scored** is one that is not illegal, but is not recognized as a properly executed run. It is not a run that has been made, so the question of cancellation does not arise. The loss of the run so attempted is not a disallowance and the batters will not be returned to their original ends on that account.

Playing Conditions for Men's 50 Over Matches

12 The person

12.1 **Person**; A player's person is his physical person (flesh and blood) together with any clothing or legitimate external protective equipment that he is wearing except, in the case of a batter, his bat.

A hand, whether gloved or not, that is not holding the bat is part of the batter's person.

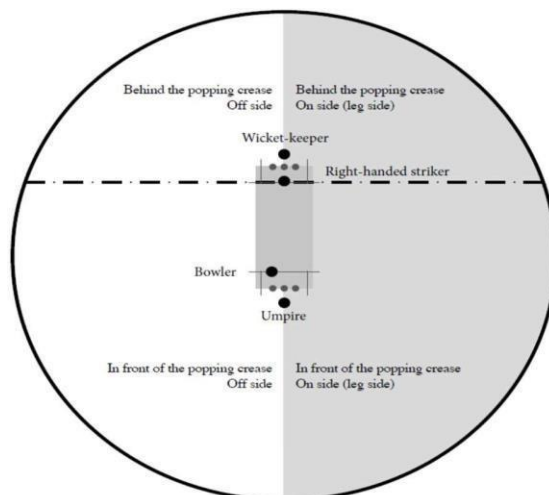

No item of clothing or equipment is part of the player's person unless it is attached to him. For a batter, a glove being held but not worn is part of his person.

For a fielder, an item of clothing or equipment he is holding in his hand or hands is not part of his person.

12.2 **Clothing** – anything that a player is wearing, including such items as spectacles or jewellery, that is not classed as external protective equipment is classed as clothing, even though he may be wearing some items of apparel, which are not visible, for protection. A bat being carried by a batter does not come within this definition of clothing.

12.3 **Hand** for batter or wicket-keeper shall include both the hand itself and the whole of a glove worn on the hand.

13 Off side / on side; in front of / behind the popping crease.

Appendix B – Equipment

1 The Bat

1.1 General Guidance

- 1.1.1 **Measurements** - All provisions in paragraphs 1.2 to 1.6 below are subject to the measurements and restrictions stated in the Playing Conditions and this Appendix.
- 1.1.2 **Adhesives** – Throughout, adhesives are permitted only where essential and only in minimal quantity

1.2 Specifications for the Handle

- 1.2.1 One end of the handle is inserted into a recess in the blade as a means of joining the handle and the blade.

This lower portion is used purely for joining the blade and the handle together. It is not part of the blade but, solely in interpreting paragraphs 1.3 and 1.4 below, references to the blade shall be considered to extend also to this lower portion of the handle where relevant.

- 1.2.1 The handle may be glued where necessary and bound with twine along the upper portion.

Providing clause 5.5 is not contravened, the upper portion may be covered with materials solely to provide a surface suitable for gripping. Such covering is an addition and is not part of the bat, except in relation to clause 5.6. The bottom of this grip should not extend below the point defined in paragraph 1.2.4 below.

Twine binding and the covering grip may extend beyond the junction of the upper and lower portions of the handle, to cover part of the shoulders of the bat as defined in paragraph 1.3.1.

No material may be placed on or inserted into the lower portion of the handle other than as permitted above together with the minimal adhesives or adhesive tape used solely for fixing these items, or for fixing the handle to the blade.

- 1.2.2 **Materials in handle** – As a proportion of the total volume of the handle, materials other than cane, wood or twine are restricted to one-tenth. Such materials must not project more than 3.25 in/8.26 cm into the lower portion of the handle.
- 1.2.3 **Binding and covering of handle** – The permitted continuation beyond the junction of the upper and lower portions of the handle is restricted to a maximum, measured along the length of the handle, of

2.5 in/6.35 cm in for the twine binding

2.75 in/6.99 cm for the covering grip.

1.3 Specifications for the Blade

- 1.3.1 The blade has a face, a back, a toe, sides and shoulders
- 1.3.1.1 The face of the blade is its main striking surface and shall be flat or have a slight convex curve resulting from traditional pressing techniques. The back is the opposite surface.
- 1.3.1.2 The shoulders, sides and toe are the remaining surfaces, separating the face and the back.

Playing Conditions for Men's 50 Over Matches

- 1.3.1.3 The shoulders, one on each side of the handle, are along that portion of the blade between the first entry point of the handle and the point at which the blade first reaches its full width.
- 1.3.1.4 The toe is the surface opposite to the shoulders taken as a pair.
- 1.3.1.5 The sides, one each side of the blade, are along the rest of the blade, between the toe and the shoulders.
- 1.3.2 No material may be placed on or inserted into the blade other than as permitted in paragraph 1.2.4, paragraph 1.3.3, and clause 5.4 together with the minimal adhesives or adhesive tape used solely for fixing these items, or for fixing the handle to the blade.
- 1.3.3 **Covering the blade.** Bats shall have no covering on the blade except as permitted in clause 5.4.

Any materials referred to above, in clause 5.4 and paragraph 1.4 below, are to be considered as part of the bat, which must still pass through the gauge as defined in paragraph 1.6.

1.4 Protection and repair

- 1.4.1 The surface of the blade may be treated with non-solid materials to improve resistance to moisture penetration and/or mask natural blemishes in the appearance of the wood. Save for the purpose of giving a homogeneous appearance by masking natural blemishes, such treatment shall not materially alter the color of the blade.
- 1.4.2 Materials can be used for protection and repair as stated in clause 5.4 and are additional to the blade. Note however clause 5.6.

Any such material shall not extend over any part of the back of the blade except in the case of clause 5.4.1 and then only when it is applied as a continuous wrapping covering the damaged area.

The repair material shall not extend along the length of the blade more than 0.79 in/2.0 cm in each direction beyond the limits of the damaged area. Where used as a continuous binding, any overlapping shall not breach the maximum of 0.04 in/0.1 cm in total thickness.

The use of non-solid material which when dry forms a hard layer more than 0.004 in/0.01 cm in thickness is not permitted.

- 1.4.3 Permitted coverings, repair material and toe guards, not exceeding their specified thicknesses, may be additional to the dimensions above, but the bat must still pass through the gauge as described in paragraph 1.6.

1.5 Commercial identifications

Such identifications shall comply with the restrictions set out in the Clothing and Equipment Regulations in relation to the size and position of marks and logos.

1.6 Bat Gauge

All bats must meet the specifications defined in clause 5.7. They must also, with or without protective coverings permitted in clause 5.4, be able to pass through a bat gauge, the dimensions and shape of which are shown in the following diagram:

Appendix H – Lightning Protocol

Guidelines

If, at any point during the Match, the threat of lightning, whether actual or perceived, comes to the attention of any of the umpires/Match Referee, the umpires/Match Referee must follow the protocol outlined below and agree a course of action taking into account all factors outlined below having taken into consideration the 30/30 guideline outlined below in (e).

- a) If the on-field umpires agree that the lightning threat is imminent, then they should immediately direct the players to leave the field of play in a safe and orderly manner with the umpires and relocate to a secure and safe location.
- b) In order to resume play, the umpires must agree that the threat has passed and it is safe to resume play having regard to all relevant information.
- c) In making decisions regarding suspension or resumption of play due to the threat of lightning, actual or perceived, the umpires may consult with the Match Referee.
- d) When making decisions regarding the suspension or resumption of play, the umpires must err on the side of caution and must prioritize the safety of those within the ground over and above the maximization of play, irrespective of the state of the Match. If there is any doubt as to the likely threat of lightning, then the umpires should either suspend play or if that has happened already, not resume play until they have agreed that the threat has passed.
- e) If no meteorology or weather service is able to offer any relevant information regarding lightning and the threat thereof, the widely 30/30 guidelines must be considered by the umpires:
 - a) Play should be suspended and shelter immediately sought when there is 30 seconds or less between the flash of lightning and the associated thunder clap.
 - b) Subject to paragraph (c) below, it is generally safe to return to the field of play a minimum of 30 minutes after the final flash of lightning or clap of thunder has been seen or heard.
 - c) It might be possible to resume play earlier than 30 minutes but only if it is clear and agreed by the umpires, in accordance with paragraph (d) above, that the storm has moved on and there is no threat of lightning.
 - d) For clarity, the final decision remains in the hands of the umpires
- f) When the Match has been suspended because of the threat of lightning, the stadium announcer should announce the locations of the designated safe zones for the spectators and officials operating around the ground. This information should also be placed on the electronic board and the giant replay screen for a short period of time. It shall be the obligation of the Match Manager to communicate with the stadium announcer in this regard.

TDCA Code of Conduct

General information

The TDCA Code of Conduct has been formulated below. Please read through it thoroughly and acquaint yourself and your teammates with it. The penalties for these offenses have been posted. These penalties will supplement, and not replace the Constitution/By-laws. Where Constitution/By-laws has been specifically laid down, they will take precedence for applicable penalties/fines.

The Code of Conduct will be strictly adhered to and the umpire(s) will notify in writing the Grievance Committee/Board of the charges. The Captain of the side is responsible for the behavior and conduct of the players in his team. Apart from the charged player, the Captain will also be penalized for the poor conduct of his players.

Umpires MUST file a report for any infraction of the Code of Conduct. Two copies must be filed. One to the Secretary of the TDCA and one to the Secretary of the TCU&SA. The TDCA and the TCU&SA may request clarification. This request must be in writing and the umpire(s) must respond promptly and only in writing.

The written charges, and any written clarification, are the only things to be considered from the umpire(s) concerned.

Important Note

Where there are separate incidents in the course of a match, the umpire should lay separate charges. If the person charged is found guilty of more than one offense, separate penalties concerning each offense will be imposed. Penalties in such cases are cumulative and not concurrent.

All charges will be laid by the officiating umpire(s) for infractions during the game, including the durations of all breaks, and pre/post-match periods where the umpire is ensuring compliance with issues related to the league policies including, but not limited to, filling out match sheets, proper laying/storage of mats (where applicable), ground cleanliness, payment of umpires, etc.

Board's jurisdiction

In case of any disputes and contradictions, the Board will adjudicate the correct interpretation and application of the Code of Conduct.

Serving of the suspension and payment of fines

There are no suspended suspensions and no suspended fines.

Suspensions

All suspensions will be immediately applicable, as of the next scheduled league game. If the infraction was during the last played game of the season for the team/club, or if the suspensions cannot be served completely during the current season, they will apply to the player/offender from the first scheduled game of the next season for the team/club that the player is registered with.

Fines

All fines are payable before the next scheduled game or the following weekend, whichever is earlier.

Playing Conditions for Men's 50 Over Matches

Appeal process

There is NO APPEAL for a Level-1 infraction charge. For an infraction of the magnitude of Level-2, Level-3, Level-4, and/or General Offences, a player/team/club has a right to appeal within the set time-frame, as specified with each infraction level. This appeal, along with the appeals processing fee, has to reach the Secretary of the League, along with any documentation, pictures, or evidence that relates to the case and will support the appeal. Failure to do so within the set time frame will void the right of the player/team/club to dispute the charge, and the penalties/fines will be served as indicated.

In case of an appeal, the player can play till the appeal process is completed. The applicable fines and the fee for the appeal processing will have to be deposited with the league as per the set time-frames for the appeal process to start, failing which, the appeal will be rejected.

Code of Conduct
